In compliance with The Calgary Board of Education ("CBE") Administration Regulation 6002, as amended from time to time ("AR 6002") (available for view on the CBE website), parents/legal guardians/Independent Students are responsible for providing medical supports and medication prescribed for the student by a physician or medical professional to ensure the student has the supports and medication required while at school or during off-site activities. The CBE, its teachers and staff will not administer the medication or supports but shall during school activities (subject to AR 6002), store the medication and supports and supervise the child in self-medicating. The parent/legal guardian/Independent Student are responsible for notifying the CBE of the nature of the medication and supports, the timing of self-medication and any procedures that apply to same.

I understand that given the nature of the Program in respect of which this form is being provided, in which the student will not be accompanied or supervised by CBE teachers/staff during off-site activities involved in the Program, CBE and its teachers/staff will not store the student's medication or supports off-site or supervise the self-medication by the student during any such activities. By signing this form, I confirm that I have waived any requirement of teacher/staff supervision of self-medication by the student and of storing medication or supports during off-site activities, and confirm that I do not wish the CBE, its teachers/staff to provide the same. I further acknowledge that the Program Provider and its staff are not representatives or agents of the CBE and are not authorized by the CBE to store the student's medication or supports or to supervise the self- medication by the student on behalf of the CBE

Please note that:

- 1. the provisions contained in this form are subject to AR 6002 and applicable laws; and
- 2. the provisions contained in this form further are subject to the applicable school's Emergency Response Protocol and any particular Student Health Plan completed by the CBE with the parent/legal guardian/Independent Student.

Subject to the foregoing, I agree that the medications (prescription/ non-prescription) listed on the first page of this form are the student's responsibility and will not be shared or given to others and the student is responsible for how the medication is stored and when it is taken. I, the parent, legal guardian or Independent Student, accept responsibility in all cases for any medication that is lost, stolen or damaged and confirm that the CBE has been informed about the nature of the medication(s), known side effects and consequences of missed doses or extra doses and any other pertinent medical information by me.

To the best of my knowledge, the medical information contained in this form is accurate and up to date and I shall inform CBE immediately of any changes to such information. I understand the risks involved in the taking of such medications by the student during or prior to the Program activities in which the student shall be a participant. I further hereby agree that If my child (or I, as an Independent Student) becomes ill or incapacitated, I acknowledge and agree that the CBE, its employees, consultants and volunteers, and also in the case of medical emergency, the Program Provider personnel, may take any action they deem necessary for the safety, health and well-being of my child (or me as an Independent Student), including securing professional medical treatment and I release CBE, its employees, consultants and volunteers and the Program Provider and its personnel from any Losses arising as a result thereof. I acknowledge that the CBE has recommended that I obtain medical insurance to cover such expenses. I also acknowledge that the CBE and/or Program Provider personnel shall make reasonable efforts to contact me in any medical emergency situation.

I further acknowledge that the CBE does not make a medical assessment of the suitability of the student for participation in the Program based on the information provided in this form, and that if the student has or develops any medical conditions that may affect the student's participation in the Program, I will advise the CBE immediately.
