

## Consignment Information & Policies

### Why consign with BeginAgains 4 Kids?

Our store is a popular, highly visible, and convenient place to shop. It provides consignors a great opportunity to sell items they no longer want or need simply and easily.

### Consigned/Purchased Items

We accept most baby gear, children's clothing sizes 2-12, maternity wear, children's furniture, and toys clean and in good to excellent condition. Please make sure all clothing is washed, neatly folded or lying flat in a box or bin. Clothing brought in garbage bags will not be accepted. Items must include all parts, be clean, fully assembled, and in good working condition. Please include batteries if the item requires them so customers can test it. We do not furnish batteries. All items must meet current safety standards and cannot be recalled. In the event an item is found to have stains, rips, tears, or other damage after it is processed and consigned, it will be marked as "Damaged" on your account and will be disposed or donated.

Baby Clothes size 0-12 months, hats, belts, and other small items including small toys will only be purchased with a gift card for the store and will not be accepted for consignment. Our gift cards do not expire.

We take only items that will satisfy the needs of our customers and that we will be proud to sell. The needs of our customers, the season of the year, as well as overall supply and demand determine what we take into the store and how items are priced.

As with most consignment stores, the clothing is seasonal. Items that we are currently accepting are posted on our website at [www.beginagains4kids.com](http://www.beginagains4kids.com)

### Appointments

Appointments are needed to consign clothing or a large number of items. Please call the store to schedule your appointment. Appointment availability is subject to the store's needs and current inventory.

### Walk-Ins

We strongly encourage appointments to consign. However, we accept walk-ins for all items except clothing, including toys, baby gear, and furniture between 10am - 2 pm Monday - Saturday. Please be aware that we may not be able to take any items or assist walk-in consignors right away if we are helping customers or other consignors. Please call the store before coming in. We do not accept walk-ins for clothing.

### Consignor Percentage/Fees

When an item is sold, the consignor's account will be credited 40% of the selling price for items priced under \$100, and 50% of the selling price for items priced over \$100. There will be a fee of \$10 if a consignor requests to have their items pulled from the sales floor before 90 days.

### Consignor Accounts & Payouts

Consignors can use the "My Account" link on our website to view their account activity and balance. Amounts under \$50 can be redeemed any time and will be paid in cash at the store. No more than two cash redemptions are allowed per week. Amounts over \$50 will be paid with a check. Checks will only be issued on the 16<sup>th</sup> of each month. If the 16<sup>th</sup> falls on a weekend, checks will be available the following Monday. Checks must be requested no later than the 10<sup>th</sup> of each month for payment by the 16<sup>th</sup>. Checks will not be mailed.

Consignors can use their account credit to purchase anything in the store, including new and sales items.

### Discounted Items

After 60 days, unsold items will be marked 50% off, unless noted otherwise on the consignment agreement. Consignors may choose to not have their items reduced.

### Unsold Items

Items unsold after 90 days may be pulled from the floor. Items may be left on the floor for another 30 days at the sole discretion of BeginAgains 4 Kids. Unsold clothing and small items, including toys, will not be returned to consignors and will be donated to local charities, churches, or families in need.

BeginAgains will occasionally purchase unsold items from consignors for future sales. This will only be done after the item has been displayed for sale for 90 days or more. Consignors will be credited 40% of the final sales price. All remaining unsold items will be donated.
