TRUSTEE VACANCY

Do you have an interest in the Thatcham Community?

Are you able to volunteer your time to help manage a
leading community asset?

The Board of Trustees of the Thatcham Memorial Hall & Playing Fields Foundation is composed of representatives of organisations and community members, a vacancy for the later has arisen and the Trust seeks a member of the community to join them.

The Trust is responsible for Thatcham Memorial Hall, Memorial Playing Field and the associated car parks at its Brownfield Road site. The Trust acts as landlord to Thatcham Bowls Club, Thatcham Tennis Club and 2nd Thatcham Scout Hut, as such it has responsibility to safeguard the fabric of these buildings for future generations.

The Board of Trustees meets 4 times a year at the Memorial Hall. In addition, community trustees are required to attend meetings of the *Development Sub-Committee*; combined these require a commitment of one meeting per month.

The Board would particularly welcome expressions of interest from people with a background in either Human Resources, Investments or Property Management. The Board will co-op a new Trustee at their next available meeting.

If you would like more details of this opportunity please contact the Trust Chairman, Cllr Nathan Gregory; nathan.gregory@thatchamtowncouncil.gov.uk or 07757334056
