BIZ OPPURTUNITIES & COMPANY FORMATION PROCEDURES IN IRAN

Many of our brothers from Africa, Western Countries and large numbers of Zaereen from Pakistan have shown pronounced interest in investing & obtaining resident permit in Iran

We have done a research & exploration work on Business & Investment Opportunities in Iran for foreigners.

After 2 years of extensive efforts & sweats we have managed to discover authentic & precise process of company formation, integration, collaboration in Iran for foreign investors with or without Iranian partner.

We are now, associated with a consultancy firm to provide legitimate professional services tailored to meet the needs of company formation, mergers & integration of organizations, safe investments and solutions to address business concerns & opportunities for foreigners in Iran.
