

SEX DREAMS of JON STEWART

written by denise papas meechn

"The best fantasy is written in the language of dreams. It is alive as dreams are alive, more real than real... for a moment at least... that long magic moment before we wake.

-George RR Martin

"Real comedy doesn't just make people laugh and think, but makes them laugh and change."

-Sam Kinison

"I'm not just a boy toy. I have feelings and dreams like anybody else"

-Jon Stewart

LOGLINE:

Jon Stewart is a deity that appears to those at a crossroads and guides them- through sex dreams- to their rightful path.

When Cassidy, a young woman oppressed by her family's religion, experiences the best sex of her life through a Jon Stewart Sex Dream, she travels in search of her new deity. Cassidy is joined by an eclectic group of other Jon Stewart dream followers- a Fashion Designer, a Goth, a Depressed Housewife and a Vegas Security Guard- on this magical tour of inner growth, friendship and the power in believing in oneself.

MEET CASSIDY

A naïve 18-year-old living in a small town surrounded by conformist blonde Mormons. Here, individualism is squashed before it can upset the status quo. Cassidy never dares express her dreams of becoming a writer. She's also a virgin and fears her transformative Jon Stewart sex dream may have sullied her.

SHE MUST LEARN: TO BE A NON-CONFORMIST

AND EXPLORE HER SEX DREAM

During Sunday sermon, Cassidy nods off picturing herself toiling alongside faceless grey factory workers. Her inability to keep up with the rote tasks causes chaos and pink feathers to flurry down on the workers. They freak out, tripping over each other at the sight of color. Jon Stewart lounges on the conveyor belt wearing only a fig leaf of pink feathers and beckons to Cassidy. They make out in a frenzy of my-first-time lust. The conveyor belt spits Cassidy onto a busy city street. Black raindrops pour down which she discovers are Stewart's tears.

When she wakes, she is wearing a black tear-shaped beaded necklace she did not have on before.

MEET LANA

A 30-something cutter and suicidal Goth that can't get over her role in her twin's recent suicide.

SHE MUST LEARN: SELF-LOVE

AND EXPLORE HER SEX DREAM

Bats fly from a cave as Lana descends deep inside- hundreds of fireflies lighting her way. Jon Stewart, pickaxe in hand, strikes the stone cave walls. Sparks fly, literally, as Lana ogles his perfect lumberjack physique- he cave axes in the nude. His glory is hidden by a strategically-placed stalactite. The two make out. Sparks turn to flames and Lana levitates through a crevasse in the cave roof. Lana lands on top of a ski slope. Jon Stewart, donned in fluorescent 1980s skiwear and zinc oxide on his nose, grabs Lana's hand and they ski down the mountain.

When she wakes, there is a firefly in her apartment.

MEET IZZY

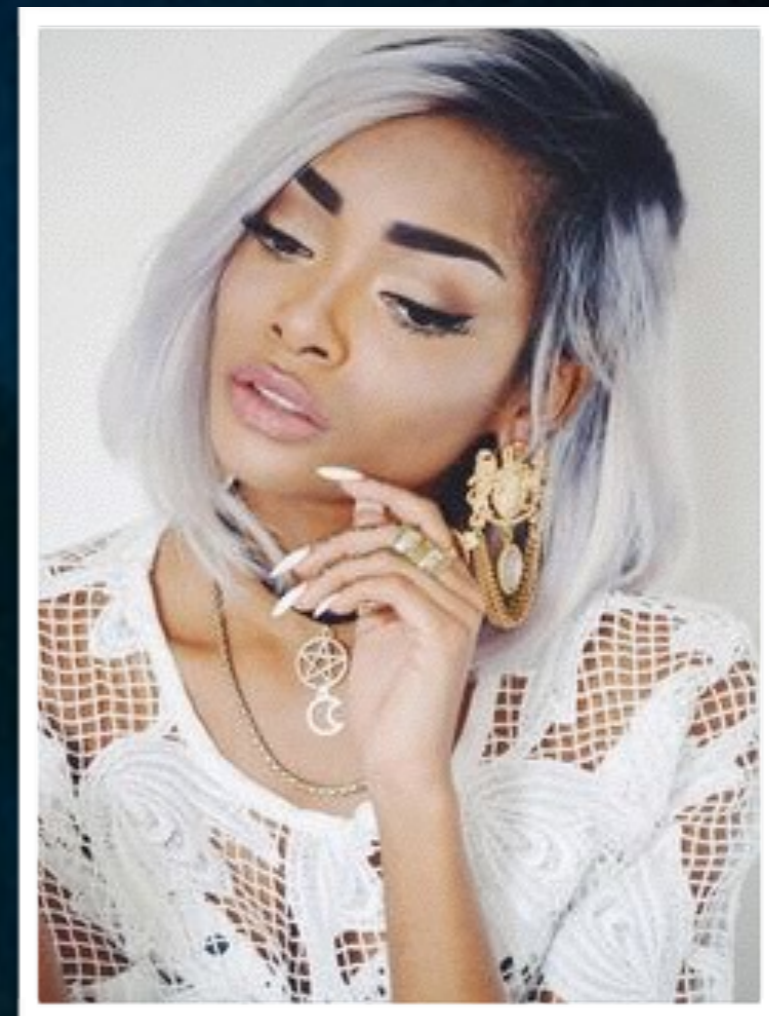

20-something hipster Izzy is a wanna-be fashion designer who fields rejections from every fashion design school in the hemisphere. She's struggling to keep faith in her life objective.

SHE MUST LEARN: TO STRIVE FOR GOALS

AND EXPLORE HER SEX DREAM

Izzy dozes off into a Jon Stewart sex dream and into the best sex of her life while knitting. A being hidden among a mound of blue yarn at her feet performs oral sex on her. She dives into the yarn to see who it is and rises in a pool. A diving competition is in effect and Jon Stewart, in a blue speedo with Ryan Lochte's body, swan dives off the board. The crowd turns into mannequins. Izzy dives into the pool to watch a graceful water ballet performed by six Ester-Williams bathing-capped Jon-Stewarts. She climbs out wearing a stunning, sexy, blue translucent dress made of water.

When she wakes there is a thimble-cum-water fountain on the coffee table.

MEET PAM

Bored housewife and mom, Pam, is ten pounds overweight and has aged ten years in the past three- beaten down by suburban boredom and housework.

SHE MUST LEARN: SELF-CONFIDENCE

AND EXPLORE HER SEX DREAM

Pam gazes from a rose petal-covered balcony at a Fabio-locked Jon Stewart. He carries her into the bedroom suite where a series of paintings of renaissance kings hang on the wall. But the kings are actually actors who have played the role of Batman- Adam West, Michael Keaton, George Clooney and Christian Bale. Fabio-Jon Stewart and Pam make romantic, earth shattering love. As Pam reaches climax, KAPOW! The screen is filled with a cartoon-pop-style expletive from the 1960s Batman series. Pow! Wham! Zowie!

Pam awakes next to her snoring husband and a single rose petal on her nightstand.

MEET CHUCK

Alcoholic, thirty-something, violent and recently fired mechanic Chuck lands a humiliating job as a Caesars Palace Roman Soldier Guard. Yes, he has to wear that hat.

HE MUST LEARN: ANGER MANAGEMENT

AND EXPLORE HIS SEX DREAM

A drunken stupor is the catalyst for Chuck's Jon Stewart Sex Dream. He participates in an orgy of small people- like a scene out of midget Caligula. The midgets are all Stewart Jons and they writhe and perform sex acts all over him. He is distracted from the ecstasy by a giant glittering gold Academy Award Jon Stewart, who tries to hand him something.

Chuck's manager shoves him awake before he gets the gift.

A long, straight path of cobblestones leads from the foreground towards a distant horizon. The path is flanked by green grass and small plants. The sky is a clear, pale blue. The overall scene is bright and open, suggesting a journey or a path forward.

THE VOYAGE

The girls team up with Chuck to meet their deity and return the dream gifts. On the way they learn life lessons and form a deep bond of friendship and love that only comes after self-realization.

After many misfires and comedic confusion in the vein of Wizard of Oz meets Willy Wonka, they finally get the answers they need when they find Jon Stewart in Las Vegas.

JON STEWART'S DREAM CENTER

Meanwhile, Jon Stewart is facing a battle with his nemesis and ex-bandmate, the Ominous Man. With his miniature helpers, the Stewart Jons, he has created a Stewart Target Dream Deflector [STDD] to thwart the Ominous Man's plan to instill the same political mind in all those attending the Sex Dream Convention.

THE BATTLE FOR THE MINDS OF THE PEOPLE

An aerial, high-angle view of a city at night, likely New York City, with a hazy, smoky atmosphere. Several military helicopters and fighter jets are visible in the sky, flying over the city. The city lights are visible in the background, and there are some bright spots on the ground, possibly from fires or explosions.

The girls, led by Cassidy, help Jon Stewart in his fight to stop the Ominous Man, and to fulfill Jon Stewart's vision of a better world- by guiding individuals to achieve their unique greatness.

In contrast, the Ominous Man and his assistant gerbil, believe the world can only be at peace if everyone shares the same world view- their world view.

THE JON STEWART SEX DREAM CONVENTION

A woman with long blonde hair, wearing a gold-colored, long-sleeved, form-fitting dress with a dark belt, stands on a red carpet. She is looking towards a stage area where a large crowd of people is gathered. The scene is illuminated by bright, starburst lights, suggesting a high-profile event or convention.

The girls realize they are not special. Anyone that has ever achieved anything in life is in Las Vegas to celebrate at the Jon Stewart Sex Dream Convention. From Oprah Winfrey to Michael Jordan to the Dalai Llama— all of them were inspired by their dream to focus on their life goals and accomplish their maximum greatness. Cassidy assists a war-torn Jon Stewart onto stage for his speech- that she wrote.

THE NUMBERS

I would suggest the comedy/fantasy genre has a demographic similar to that of films like "Oz the Great and Powerful", "Ted", and "Being John Malkovich".

"Oz the Great and Powerful"	(2012)	
Total Gross (Worldwide)	\$493,311,825.00	
Production Budget	\$215,000,000.00	= 129%

"Ted"	(2012)	
Total Gross (Worldwide)	\$549,368,315.00	
Production Budget	\$ 50,000,000.00	= 998%

"Being John Malkovich"	(1999)	
Total Gross (Worldwide)	\$ 32,382,381.00	
Production Budget	\$ 13,000,000.00	= 146%

The Budget for "Sex Dreams of Jon Stewart" would be \$30,000,000.00
