Missionaries to Vanuatu

Dear Praying Church, Family and Friends,

Tears were flowing down her cheeks and her heart was aching as she told me her burden for her husband's family. There was a fellowship meal after the morning service at a church where we were presenting. She came up to me and asked if I knew a certain family. Soon to find out, she was my uncle's sister-in-law. We instantly connected and began to share our burden for our family's salvation. Her husband was the first in his family to come to the United States from Vietnam and was the first to become a Christian after hearing a Korean missionary speak at a revival. It was encouragement to know that she is praying for my family's salvation. – From Jenn

December: On December 6th, we had the opportunity to present at First Baptist Church in Pierceton, Indiana. We were blessed and encouraged by the Pastor and the wonderful congregation. On December 20th, Jenn helped with the Christmas program and it was a blessing to see our bus children's parents come to the services for the first time and also hear the Gospel. Please pray they will come again and for their salvation. On December 27th, I took over the Sunday services for my father. My family traveled down to Texas for Christmas and my wife and I stayed back to prepare for our trip to Louisiana.

January: On New Year's Eve, we drove down 15 hours to Louisiana for a Revival/Pastor's Meeting at Temple Baptist Church, where my cousin, Bro. Aaron Weido, is the pastor. While we were there, I went soul-winning with a group and helped in any way possible. I had the opportunity to meet and fellowship with some great men of God. The people of the church made us feel at a home. We even got to enjoy some good Cajun cooking! We were refreshed and encouraged by Pastor Buddy Blunkall during the revival. We were also able to witness a young man's salvation. Praise the Lord! We were given an opportunity to present our work at First Baptist Church in Arcola, LA, on a Wednesday night. It was an unexpected blessing. The Lord is good. On January 24th, we presented our mission work at Faith Baptist Church in Middlebury, Indiana. I taught Sunday School and preached the morning and evening services. We enjoyed the good fellowship with Pastor Don Chesher and his sweet wife and were greatly blessed by the church.

We are thankful for your prayers and support. After much prayer, we are aiming to be back on the field early 2017. We are trusting in God's guidance and provision.

In His Service,
