## Missionaries to Vanuatu

Dear Praying Church, Family, and Friends,

Before starting our deputation journey in September, we prayed for the Lord's guidance for meetings. He has done exceeding abundantly above what we have asked. The Lord has laid out and orchestrated our spring schedule right before our eyes. We praise Him for His goodness and provision.

**February:** The beginning of February, my wife and I traveled to Alabama for a mission's conference. I also had opportunity to go with my Dad to the BEAMS Conference in Mississippi. It was good fellowshiping with my dad and we both were blessed and challenged by the messages.

**March:** This was a busy month for us with almost a church meeting every Sunday. On March 6<sup>th</sup>, we presented at Calvary Baptist Church in Nappanee, IN. We enjoyed the fellowship with Pastor Jacobson and his church family. We are grateful for their promised support. On March 18<sup>th</sup>, we left for 7 weeks of deputation travel. Our first stop was Texas. We were thankful and encouraged for the time spent with family there. We presented at Heritage Baptist Church of Haslet and Heritage Baptist Church of Arlington. We praise the Lord for their support. Through a connection with a pastor, the Lord gave us a mission's conference with less than a week's notice. We thoroughly enjoyed our time at the conference at Friendship Baptist Church in Boyd, TX. The last Wednesday of the month, we visited Central Baptist Church, a church who faithfully supported me (without even meeting me) while I was in Vanuatu last term. We are thankful for their continued support.

As we step out by faith and trust God, we see His care for us. We appreciate your prayers. They do make a difference.

We praise the Lord for the support raised so far. We are at 30% with 4 of the 8 churches we visited in February and March taking us on for support. Thank you for helping us get back to the mission field to fulfill His calling for our lives.

Please pray for us as we travel to the different churches in Texas, Arkansas, Louisiana, Alabama, and Pennsylvania.

Please keep my brother-in-law and sister, Matt & Lydia Meads, in Vanuatu in your prayers. The country was hit by a cyclone and struck by several earthquakes in one week. There was damage but, praise the Lord, everyone is okay.

In His Service,

*Levi & Jenn Pitman*
