Summer Pub of the Season

Penistone

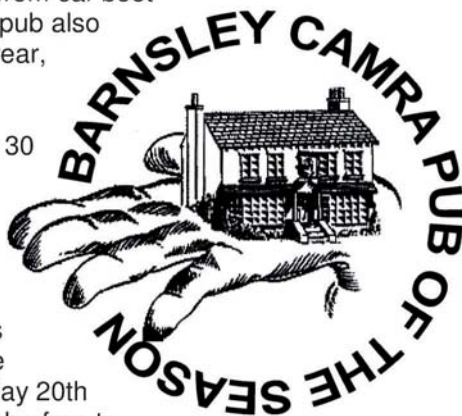

Congratulations go to the team at the White Heart, Penistone, who have been awarded Barnsley CAMRA's Summer Pub of the Season. The pub has been chosen due to the pub's excellent quality real ales as well as its

other facilities, including outdoor courtyard and bar, popular restaurant which serving a la carte menu (booking for this is advisable) the staff are very friendly, welcoming and knowledgeable, making this a pleasure to name this a Barnsley CAMRA Pub of the Season.

The White Heart offers three real ales all year round, with two changing local beers and one permanent ale, always kept in mint condition by the team, notable beers seen in the pub are from Acorn, Bradfield and Timothy Taylor's Breweries.

The White Heart is a popular pub with the local community, hosting events that bring a wide and diverse clientele to the pub, from car boot days in the car park to gin tasting nights. The pub also holds two extremely popular beer festivals a year, Winter and Spring Festival, that have been welcomed received by the local community. Pub, Club & Brewery News

Planning application has been submitted for a micropub on Barnsley Rd in Goldthorpe. This will involve a change of use from a shop and work will include alterations to the shop front. Work is well underway for the micropub in the Victoria Arcade in Barnsley, The team at Two Roses Brewery hopes to have this latest venture open soon.

The Keys at Hoyland Common have again run a successful Real Ale and Music Festival over the Spring Bank Holiday. Their next festival will be over the August Bank Holiday.

Also the Spring Beer Festival at the **White Heart** at Penistone was a huge success with plans afoot for another winter festival. The **Barley Sheaf** on Aldham House Lane, Wombwell is up for sale. It has an unusual layout with one bar serving both tap room and best side, with no internal door, customers need to go outside to move rooms.

The Pheasant on Cross Street, Monk Bretton is also up for sale. CAMRA have been assured its sale will be as a pub and not development.

The steel shutters at the **Three Horseshoes**, Brierley have been removed and the pub and land has been sold to a property development company. CAMRA, and the local community are monitoring the situation.

Rhino's LTD have taken back running of the **Houghton Arms** at Great Houghton. A guest cask ale is available at a reduced £2.50 a pint and the interior has been redecorated.

A new vaping bar is set to open in the former **Pulse bar** on Wellington Street, Barnsley. Many pubs in Barnsley don't allow vaping, but a handful do.

The **Green Dragon** in Thurgoland has four guest ales

available, a survey found all the beer to be in great condition.

There is now new management at the **Travellers Inn** at Oxspring, this small pub has a popular restaurant with ample room for drinkers, cask ales are available.

Ardsley Oaks W.M.C. and **Dodworth Central Social Club** are now both offering a changing guest ale. Ardsley Oaks may soon be adding a second ale.

Penistone Royal British Legion Club has informed Barnsley CAMRA that is can no longer accept CAMRA members' membership cards as access to the club. However, members of the club can sign in a friend, or consider joining the RBL and the club to drink there cask beers.

Acorn Brewery

Upcoming seasonal summer beers are **Summer Pale 4.1%** (available June-September)

A clear light straw coloured wheat beer. It has a slight bitterness and floral aroma.

England's Dreaming 4.5% (brewed for Euro 16 football tournament in June)

Lightly roasted malts create a golden, smooth malty base. The beer has Exotic fruits and citrus notes on the aroma with a pleasant dry finish.

Hoptathlon 4.5% (Available in August for the Olympics)

A magnificent Golden coloured beer with slight caramel malt flavours. Hints of tropical fruits with a refreshing lemon kick on an Olympic scale.

We've made a few improvements to the brewery over the last month. We have increased office space added a mezzanine floor to help with storage and also have built a laboratory. This lab will enable us to monitor our beer more regularly and ensure it is in tip

top condition when consumed.

Jolly Boys Brewery

So Thirsty Scholars, firstly The Jolly Boys would like to thank you for your patience whilst waiting for our first brew from our delightful brewery in Redbrook, Barnsley. The Boys have had a frustrating time of it due to difficulties with equipment suppliers and unreliable tradesmen. They are now sorted and their Head Brewer is ready to don his white coat and beer goggles. Planning information at the moment suggests the first brew will be a Blonde. Some of this will be made available as a limited edition first run bottle. If this is something you'd like in your collection, let the Boys know by getting in touch with them and providing your best contact details.

Twitter: @jollybrewery

Facebook: Jolly Boys' Brewery

Email: brewery@jollyboys-brewery.co.uk

Secondly The Jolly Boys would like to thank Barnsley CAMRA and everyone else who were so supportive during the excellent Barnsley Beer Festival at Elsecar! There were some clearly thirsty folk at the event and the Jolly Boys pilot brews went down well. Thank you!!

The Jolly Boys are here to brew, share, learn and hopefully, one day, inspire others to brew with warmth, integrity and grace.

Wentworth Brewery

As we go to print news is coming in that the Wentworth Brewery has closed. The brewery opened in September 1999 in the old power house on the Wentworth Estate. Award winning favourites from the brewery included Rampant Gryphon and WPA.

Ardley Oaks W.M.C.

Real ale fans in Barnsley are always pleased when we get a new real ale outlet in the borough I'm pleased to announce that Ardsley Oaks WMC have introduced real ale.

The club hasn't sold cask ale for some time but thanks to the Steward Steve the club now offers a changing guest beer. The beers are sourced from national and local microbreweries. On my recent visit I had a great pint of Adnam's Fat Sprat; other recent beers are from breweries such as Kelham Island and Acorn.

The club is very welcoming and non-members are always welcome. The club holds a quiz night on a Thursday, happy hour 4-8 Friday, Bingo Friday night and entertainment every Sunday evening.

On July 17th the club will be holding their annual 'Party in the Park' with live entertainment throughout the day.

You can keep up to date on the latest news and events by visiting the club's Facebook page Oaks WMC.

It's fantastic to see cask ale once again in Ardsley and if you haven't visited this club I can certainly recommend you do so as it's well worth a visit.

Some other great news from Club land is that Dodworth Club is now offering a guest ale; I'll be doing a further report on this in the Autumn edition.

Another date for your diary is Wortley Men's Club beer festival July 1st - 3rd. See page 8. Hope to see some you all there!

Club of the Year 2016

The Wortley Men's Club has once again been crowned Barnsley CAMRA Club of the Year 2016. The club has picked up this award since 2011 and it is down to the fact that the club has a commitment to real ale and cider.

Just under 10 years ago the club introduced a real ale, this was good and enjoyed by its members, fast forward to today and the choice of real ale is now three plus a cider. And let's not forget the annual charity Real Ale and Music festival, now in its fourth year where up to 50 real ales will be on offer over the weekend.

Steward, Nigel Pickering was delighted when he was told the news knowing that the wall where the CAMRA awards were placed might need re-arranging once again. The club as well as offering great real ales is very much part of the village's local community and is pretty active, holding events in conjunction with the church as well as local businesses. As mentioned above, the club has received many awards over the years, with its biggest achievement being the National CAMRA Club of the Year Winner in 2015 and it is a regular entry in CAMRA's Good Beer Guide.

Phil Gregg, Barnsley CAMRA's Pubs and Clubs officer said "Wortley Men's Club is a beautiful building, and the steward's commitment to quality real ale is second to none, the staff, members and committee members are always welcoming".

The club, despite its name, does serve both men and women as well as visiting CAMRA members who enjoy the same discount as club members on their visit.

The club will be presented with its award on the evening of Friday 15th July at around 9pm. See events calendar on page 26 for travel details.

Pub of the Year 2016

Just four years after being opened by Stuart and Tina Wood and daughter Sarah and son in law Mathew, the Crown Inn at Elsecar has been awarded Barnsley CAMRA Pub of the Year 2016.

The team here are popular in the village having also been at the helm of the Fitzwilliam Arms and the Market Inn, but this is the first time they have picked up the accolade of Pub of the Year.

The award is mainly down to the great real ales that are offered, this always ticks the boxes for a CAMRA Pub Award, but adding the features of a fantastic family beer garden, wonderful food, great atmosphere and friendly costumers put it at the top of the judge's list when the results came in.

The Crown Inn offers three changing, value for money, real ales at all times, these are mainly from local breweries such as Acorn, Kelham Island, Abbeydale and Ossett.

Recent changes here have made the lounge at the rear of the pub more roomy, mainly due to the addition of a large conservatory overlooking the children's play area and beer garden.

The presentation to the Crown Inn will take place on the evening of Saturday 23rd July at around 9pm, catch the 7.35pm no 66 bus from Barnsley or the Train at 7.24pm

Both the Wortley Men's Club and the Crown Inn will now be put forward into the Yorkshire regional categories of Club and Pub of the Year. Good Luck!

Oaks Colliery Disaster Memorial Ale

The Oaks explosion occurred at the Oaks Colliery, near Stairfoot, Barnsley, on 12th and 13th December 1866 killing 361 miners and rescuers.

The disaster happened after a series of explosions caused by flammable gases ripped through the workings. It remains the worst mining disaster in England, and the second worst mining accident in the United Kingdom, after the Welsh Senghenydd Colliery Disaster which killed 439 miners and a rescuer in October 1913.

The first explosion took place at 1.20pm on Wednesday 12th December. Dense smoke hampered the attempts by rescuers as did the fact that both pit cages were also destroyed in the blast. A new cage was swiftly installed to the No1 pit where 20-30 survivors were found huddled together at the foot of the shaft. Rescue attempts were ongoing, by the following morning experienced rescuers noticed a change in the air current and recognised the signs and anticipated another explosion and urged the rescuers to leave. Around 90 men exited the mine very quickly, at around 9am the pit exploded for the second time. There were known to be 27 rescuers in the mine, none could have survived the blast. A third explosion occurred at 7.30pm and it was apparent that the pit was now well and truly on fire. With all hope for survivors being lost no one expected the event which happened on the Friday. At about 4.30am the signal bell on No1 pit shaft was heard to ring! No answer came from the amount of calling down the shaft, a water bottle (with brandy) was lowered down the shaft. When the rope was lifted the bottle was gone. A temporary headgear was rigged and two volunteers made the descent, they discovered a sole rescuer, who had undoubtedly has the luckiest escape in mining history. Fundraising has been going on to create a fitting memorial for all those who lost their lives in the disaster and sculptor Graham Ibbeson has created such a fitting memorial. It is a bronze and stainless steel memorial which will stand outside the NUM offices in Barnsley and depicts a miner's wife with a baby in arms. The recently widowed woman will be looking directly to the site of the Oaks Colliery.

Local Stairfoot brewery, Geeves Brewery have been involved in the fundraising and have produced a bottled conditioned real ale that hopefully will help increase the fundraising to help pay for the sculpture. The Oaks Colliery Memorial Ale is a 5% abv stout and is available from Maison Du Biere at Elsecar Heritage Centre and other outlets locally.

Find out more about the Oaks Mining Disaster via "People & Mining" who are looking for anyone who had relatives who were victims in the disaster, their stories on anything or anyone relating to the disaster.

AROUND BARNLSLEY IN 80 BEERS!

Beers 77 to 80

Over the last five years I have been finding a different beer (four each edition) to feature in the "Around Barnsley in 80 Beers!" This is my final instalment. Again I have sampled many beers in-between the ones featured, guessing that at any one time in and around the Barnsley pubs and clubs there are about 100 different real ales to choose from. So here we are, the last four.

First on my list is the **Tom Treddlehoyle** at Pogmoor. The one small bar serves this busy community local. Though open plan it has a separate room atmosphere. The decor is white, mushroom and rose. A conservatory area at the rear acts as a

function room for small parties and meetings, this leads to quite a large kid friendly garden which is popular in the summer months. From the beer choice today I opted for Purity Breweries Pure UBU at 4.5% abv, pronounced "OO-BOO"!

Purity - Pure UBU 4.5% abv.

Named after the brewery's "mad dog" this amber coloured, full flavoured beer has a smooth mouthfeel with malty and fruity flavours throughout and a dry finish.

Food Matching - Great with a pasta dish like bolognaise, either beef or vegetarian.

The **Silkstone Inn** is on Market Street in town and was the 700th pub to be opened by J.D.Wetherspoons. Its coal theme décor stems from the Silkstone Seam which stretched under Barnsley, even the pendants on the lights are

black. A pithead wheel statue stands near the large front windows and the open plan space is split only by bookshelves. Three permanent beers and up to three guest ales plus a real cider satisfy the client mix. My choice today was Titanic Brewery, Lifeboat 4% abv

Titanic Brewery - Lifeboat 4% abv

A dry fruity and malty, red brown bittersweet beer. It has a caramel biscuit flavour and a dry, fruity finish.

Food Matching – This bitter would go with the pubs Burritos, plain or with the Five Bean Chilli or the Chilli con Carne options.

◀ My next pint was in the recently refurbished CAMRA award winning **Old No.7**, in Barnsley. The pub offers eight real ales from Acorn and other micro brewery pubs as well as, real cider and perry. This town centre local is handy for the new Experience Barnsley Museum, The Cooper Gallery and the Civic Theatre. The downstairs bar is also available for functions and is open on weekends. My choice from the range available on my visit was a strong mild, Lincoln Green

Brewery's Big Ben at 6% abv
Lincoln Green - Big Ben 6% abv

Toffee aroma and a predictable sweet flavour throughout mainly caramels and fruit. Though it was 6% it wasn't as heavy as you would expect.

Food Matching – A strong mild would go well with BBQ red meats or strong cheese.

My last call for this series is to the **Chennells Bar** on Wellington St, Barnsley. One of Barnsley's long established pubs that has managed to keep its name. The pub was fully refurbished in 2011 and spruced up again in 2015. In 2011 real ale was introduced. These have become popular. The pub has a large open plan with snug seating areas to the front, the bar

runs the length of the main front of the pub. Up to three real ales are on offer, today I opted for Sonnet43 India Pale Ale 4.4% abv

Sonnet43 Brewery - India Pale Ale 4.4% abv.

With both a hoppy and fruity flavour I found this a very palatable, bitter drinking IPA.

Food Matching - An IPA is best with a classic curry! If you fancy it with a dessert it goes well with carrot cake!

That's It! 80 different beers all drunk in Barnsley's pubs and clubs. Thank you to those who contacted me over the years telling me of the offerings you had, I think I managed to get round the majority of pubs, but not all. Watch out for my next series of pub and beer articles **Hops on a Bus!**

Hannah At The Hob

Mulligatawny soup – not curried gravy.

I enjoy spicy food even in the summer which seems odd when I would not eat stew because it is too heavy & hot. Mulligatawny soup was developed in India for British colonials and has been adapted and modified across the globe. Madhur Jaffrey favours a red lentil dish served with a green side salad and the Australians enjoy a cream, tomato and bacon version. My first experience was from Heinz and it was not unlike curried gravy, very tasty too. A work colleague had a bad experience with the Heinz version when he fed it to his baby, by mistake, instead of tomato soup. He only discovered the mistake when he changed the nappy and had to deal with the “chilli bottom” too.

This recipe can be changed to use ingredients that are available and in season but it must remain green, light and fresh. It is also easily adapted into a vegan dish.

Carefully fry the spices in the oil & butter, avoid burning
Add the vegetables, coconut milk, stock and chicken
Cover and simmer for 30 minutes making sure that the chicken is fully cooked
Remove the chicken and cut it into pieces.
Return to the pan with the rice and the fresh herbs, warm through
Add the garnish & serve

Adapted from the Madras Curry Club recipe as detailed in Rick Stein's My Indian Odyssey.

Elsecar-By-The-Sea Beer Festival

1 - 3 September 2016

**Milton Hall, Fitzwilliam Street, Elsecar,
Barnsley, South Yorkshire S74 8EZ**

The three-day CAMRA Beer Festival is the centrepiece of the Elsecar-By-The-Sea Gala weekend.

The beer festival is held in the Milton Community Hall, next to the Elsecar Heritage Centre, and close to the Elsecar Heritage Railway. The Gala will ensure there will be plenty of things for all the family to do and see before and after a beer or two at the beer festival.

The beer festival will feature around 30 real ales and cider. The beers will feature local breweries and breweries from wider afield, along with some new and festival ales.

The beer festival opens its doors on Thursday, 1st September at 5pm until 10pm, then 12 noon to 10pm on both Friday 2nd and Saturday 3rd September. Admission is Free on Thursday to everyone. On Friday and Saturday All Day Admission is £2.50 (£1.50 for card carrying CAMRA Members), this includes a 50p refundable glass deposit. There will be live entertainment on Friday and Saturday.

The venue is on the frequent 66 bus route from Barnsley, and only 8 minutes walking from the Elsecar Railway Station, which has services between Sheffield and Leeds or Huddersfield.

There'll be hot and cold food every day as well as the tombola and CAMRA product stands.

May's Festival Roundup

Now a few weeks have passed since the Heritage Railway festival, the bruises have starting to disappear and my attention has come to thank a few persons for their support, most notably all those who came and enjoyed it. It gives me great pleasure that you come out of your way to support and enjoy what we in Barnsley CAMRA and the Heritage railway have organised for your enjoyment.

It's been another successful festival, and I would like to take the opportunity to thank all involved, from the core beer festival committee, to our local breweries and our sponsors. I would like to personally thank all the volunteers that came down and did a stint over the festival from setting up to take down, without you any festival wouldn't take place.

I would also like to thank the people who turned up to a very cold and wet Thursday before the festival opened, to sample old ales and strong milds category heats for the Champion Beer of Britain. The winner was Daleside's Monkey Wench, and it proved popular with all the festival goers!

During the festival it was great to see so many people enjoying the vast array of beers, and ciders from

The Gala weekend festival promises street theatre, entertainment and plenty of family fun as well as fascinating stories of its incredible past. There will be stalls and rides in the famous Elsecar Park.

From the 1700s, the village, at the heart of South In the early 20th century the village of Elsecar became famous as thousands flocked to its park and reservoir for day-trips and holidays. The annual Elsecar-by-the-Sea Gala celebrates this long-standing tradition of being 'a seaside resort at the heart of the Yorkshire coalfield.'

Throughout the weekend, there will be costumed tours, heritage steam railway trips, performers and much more. Free costumed tours will take visitors all around the village, revealing its stories and secrets. The Gala festival will take place across Elsecar, which includes four (yes four!) traditional village pubs, which all sell real ale (three offering food) and are regular Good Beer Guide entries, including the Crown Inn, Barnsley CAMRA's Pub of the Year 2016!

As always we are asking for volunteers to help out at all sessions, particularly Set-up sessions and the Saturday lunchtime session as well as Sunday after the festival to help take down the bars.

established brews like Acorns Old Moor Porter and Two Roses Jester to Barnsley's newest Brewers Jolly Boys, who from the Thursday before the festival didn't have any beers ready for us, they pulled all the stops to get it from the test plant to the festival, and until the Thursday night hadn't tasted it.

Also on the bar this year was a new and improved line up of world beers courtesy of the beer shop in Elsecar heritage centre, Maison Du Biere.

So for the future of this festival, Barnsley CAMRA and the railway would like to give you all the opportunity to give us feedback on how the festival went. How can we improve aspects of the festival? Or any other feedback or suggestions are very welcome, please email me

at andrewtaylor@barnsleycamra.org.uk

As for the rest of this year, we have only one more festival been planned at Milton Hall in Elsecar, See article above. We are always looking for help with planning, setting up and open times, so why not volunteer? There's always something to do, from beer keeping to membership, pub games etc all help is very much appreciated and welcome.
