Photograph Policy and Consent Form

From time to time we will take photos of our classes, special events and school shows but respect that parents/carers have differing views about using images on the internet etc.

Every student registering for Dance Theatre Arts Group classes will also be given a photo consent form. We will not use any image of a child unless a parental consent form has been signed and will assume that permission is not given if we do not receive it. Please note that any images of children posted will **NOT** be identified by their name. Group photographs do not require consent before publication.

However, if you wish your child to take part in school shows a consent form **MUST** be signed as a professional video and photographs will be taken during performances. No other photography will be allowed during these events as is normal in most theatrical performances.

I hereby grant my permission for Dance Theatre Arts Group to use my image or that of my child listed below on its website or in other advertising publications without further consideration. I understand that once any image is posted to the Dance Theatre Arts Group web site, the image can be downloaded by any computer throughout the world.

I hereby declare that I am the legal Parent/Carer of the child listed above and understand that I can cancel my permission at any time which will be given in writing.

If you have any questions about the policy please feel free to contact me.

Many Thanks
