Hello Marines, Navy FMF Corpsmen, Associate Members, and families. Thanks to all that were in attendance at the Detachment monthly meeting in November. Please read Adjutant Terry Boston's minutes for a snapshot of all that was discussed at the November meeting. Elections were held for the four senior officer's posts during the detachment monthly meeting and the elected slate included Gary George for Judge Advocate, Terry Crum for Junior Vice/Adjutant, Paul Hinojosa for Senior Vice and Russ "Tiny" Miller for another go-round as

Sergeant, Roger Baty will be stepping down and taking a much deserved break. Roger has faithfully been our detachment's photographer, historian, newsletter and website editor, keeper of the roster, and email-postmaster general. These will be tall boots to fill but I

Commandant. We will miss Terry Boston greatly as she moves down to Florida. Our one consolation is that this isn't expected to be a permanent move and we can look forward to her peeling herself away from the beach and coming back to brave the cold to see us from time to time. The appointed officers for 2016 will include Pat Carty making a return to the job he is so amazing at as our Chaplain, Denise Wickersheim carrying on for another year as Paymaster, Trammell Davis will be our new Quartermaster, Osa Tuck is

am confident that Terry Crum will do an outstanding job as he takes on the task of Web-Sergeant in addition to Jr. Vice/Adjutant. If I can do more than one job at a time, Terry certainly can. At our November meeting we took a vote for the Detachment to pay for everyone's breakfast at the 19 December monthly meeting. Further, at that meeting we will hold the swearing in of the 2016 officers, presentation of awards for 2015, and I request that you all consider bringing in a new unwrapped toy for our Toys for Tots campaign. We will have no business to discuss, and there will be no cash sales at the December meeting.

Greetings Marines, Navy FMF Corpsman, Associate members! November was a busy month for our detachment but it was worth it! Thanks for your attendance at the November meeting and thank you for your support in electing the nominated members to fill 2016 detachment officer positions. Thanks to all who participated in the Veteran's day parade. It was very

event. Their participation really helps our detachment look well during the parade. The two young Marines that carried rifles for the color guard proved that they were tough and determined to continue to march until the end. I am pretty sure the rifles that they carried were as heavy as they were. Some of the Young Marines may join the Corps when they get older but all of them will have benefited from their time with the young Marine program. As I have stated before, your participation in the parade is never too small to make a

difference. It should be pointed out that Paul Hinojosa and Peggy Baldwin stepped forward at the last minute to carry our banner during the parade, thanks for volunteering. A very loud Ooh Rah is due to Marine Tony "Bear" Barrera even though he was missed in the color guard, having him in the parade as the "True Grunt" was outstanding. On a personal note, I would like to thank the Marines whom contributed to the 2015 detachment color guard. Four parades and various

Veterans Day Parade

other events during the year allowed the members of the color guard to demonstrate what being "always faithful" is all about. We could not do it without Sgt. at Arms Osa Tuck standing out as the color guard motivator; A shout out also goes to Tony Barrera, Kaz Mueller, and Dennis Cambillo for their dedicated participation. It should be pointed out that the color guard Marines for the most part also attended the Toys for Tots events and took part in the cake detail in dress blues. Now that we got that out of the way, Marines get ready to get those dress blues in the cleaners. The St. Patrick's Day parade will signal the beginning of the

2016 parade season and we will do all of this again....Get some!!!! Now for some new business: Please consider yourself welcome to attend the 2015 Pearl Harbor Remembrance. We need one Marine in dress blues to place the wreath for the Corps. If you would like to do it (and got the dress blues) let me know. If there are no takers, I will do it.

This will be my last newsletter input as the Senior Vice Commandant and I ask that you give my replacement Paul Hinojosa, the same high level of support that you provided to me. This was my first year holding an officer position in the detachment and it was a very eye opening experience. With that said, I am not going anywhere and will be holding the position of Junior Vice Commandant/Adjutant. I will also replace Roger Baty as the detachment Web Sgt. Do not forget the next meeting is the last meeting for 2015 and the time will be used for the installation of officers for 2016 and awards ceremony. No business will be discussed at this meeting and do not forget to bring a hearty appetite with you to the December meeting as the SOS breakfast is going to be free!!!

Greetings Marines, FMF Corpsmen, Associates, and Friends; While we are greatly encouraged by the physical progress and miraculous healing that some of our members have been experiencing as of late, we are also saddened at the loss of Jack Dale Crowson. Pat Carty and I were able to spend some time with Jack during his many recent trips back and forth to the hospital. I was particularly impressed with Jack's attitude regarding the prognosis the doctors had given at the time and the fact that through it all, knowing that his days were numbered, he always had such a positive attitude. All Jack wanted to talk about was how you were doing, and how much he cared for his family's future once he was gone, specifically his dear mother. Fair winds and following seas Jack. Semper Fi! Please keep the following detachment members in your thoughts as they are battling ailments, some more severe than others, but I'm sure they can all use a bit of healing prayer; Doc Jim Maurer, Steve Peterson, Steve Schwartz, and Barry Farris. If you are aware of

any of our other members, member's families, Marines, or FMF Corpsmen residing in our community that are sick or in distress, please contact me day or night (719) 235-1058 so that we might lift them up in our thoughts and prayers and see how we might otherwise comfort them and be of assistance in their time of need.

We have been very fortunate to have not only finally found a warehouse space to run this year's campaign from, but also that it is being donated for our use and that another business has offered to pick up our utility costs. We are located at 1824 Dominion Way, just southeast of the intersection of Dublin and Academy next to The Dublin House. Please drop by and have some coffee and snacks. We may or may not put you to work sorting toys while you are there. Thanks to all that came out and helped us unload the Semi-trailer, a packed POD, and the small trailer as well as driving all over kingdom-come delivering boxes to all the businesses that will be collecting toys for us to distribute to the needy children of the area. From the Editor: This is my last Newsletter. It has been a long run being your Newsletter and website Editor. It is time for change and new ideas and that is what Web Sgt Terry Crum intends to bring to the Pikes Peak Detachment. I started the Newsletter in January 2003 and my wife Terry designed the current Detachment website shortly after. It was a paradigm shift for the Detachment as we moved away from Snail Mail and paper into the digital age of moving information to our members as many did not have computers at the time. It is never too late to learn as was evidenced by members who purchased computers. The current Detachment website will be taken down as of 31 December 2015. Web Sgt Terry Crum will publish the January 2016 Newsletter and let us all know where to go for a website. Those members receiving Snail Mail will continue to do so. Another major change will be Web Sgt Terry Crum sending out all the email updates to the membership; you will no longer be spammed by Roger and Terry Baty. Thanks for your support over the years and give Web Sgt Terry Crum your support as he introduces change and new ideas for the Pikes Peak Detachment.
