Greetings Everyone: First off, I would like to congratulate and thank everyone who attended & supported this year's 4th of July Parade in Monument, CO. For your efforts we were awarded a "Best Appearance" ribbon. Secondly, I would like to thank

Commandant Gibson and Best Appearance Ribbon

everyone who took the time on such a beautiful day to attend our 19 July monthly meeting. We had 49 members and guests in attendance. I'm sorry to say that I will not be at our August or September meetings; our Sr. Vice Commandant Russ Miller will officiate our 16 August 2014 monthly meeting as I will be up in Cripple Creek to raise funds & recruit new members at this year's "22 Annual Salute to our Veterans Rally" that's being held from 15-17 August (Fri-Sun). Terry Boston, our Jr. Vice Commandant & Adjutant, will

July Meeting

officiate our 20 September monthly meeting as Russ will be in Quantico, Virginia training to be our next Toys for Tots Coordinator. I'll be in Aurora at the Aurora Reservoir participating in this year's 8th Annual "United States Marine Corps Memorial 5K Fun Run/Walk." I will post additional information on this event shortly for those of you who might like to join me in this fun, fund raising event. This event is being hosted by Colorado Columbine-WM History Chapter of the Women Marines

Association. Thirdly, I would like to thank Terry Farstad for inviting Sandy Esposito (our guest speaker), her husband Joe and their Guide Dog; "Bobbie" to Saturday's meeting. Sandy (what a lady) - here is a

healthy young woman who is going to college sleeps in her dorm room and wakes up the next morning blind. Everyone who heard her speak had to be as inspired as I was by her positive attitude and all she is trying to do by sharing her story and trying to raise funds for the "Guide Dogs of the Desert" program. These Guide Dogs will go to Veterans who are blind, visually impaired and to veterans who are suffering from PTSD. All funds raised will go to provide a highly trained, customized guide dog to each Veteran selected, pay for their equipment and a 28 day residential stay on campus (Includes lodging, meals and veteran/dog team training by California licensed instructors) and post graduate follow-up for the life of the working guide dogs. I want to thank everyone for voting to purchase a table for (10) at the "2nd Annual Guide Dogs for our Heroes Banquet" to be held at the well-known Abby in Cañon City on 31 January 2015. All proceeds from this Banquet will go towards supporting this great program. Till I see some of you in Cripple Creek....Think Positive...Laugh...Have fun...Help someone less fortunate than yourself...and Continue to March.

for driving his little wind up clown car or little red convertible for the women Marines to ride in, and Glen McMullen, and Jay Bennett for bringing their 6x's. The ride back from the end of the parade to our rally point in the 6x's was a lot more fun than the parade itself. My hair still won't lay flat. Most importantly, I want to say a very special thank you to our outstanding color guard consisting of Heike Cummins, Kaz Mueller, Antonio "Bear" Barrera, and Charles "Osa" Tuck. It was HOT and windy and we followed an elephant and a camel. ENOUGH SAID! Excellent job Marines!! Lastly I

Greetings Marines, FMF Corpsmen, Associates, and Friends. The Bereavement Team attended one funeral on 25 July for Marine Mike Vialpando and there was a Visitation on 20 July for Marine David Miesse. At the last meeting Paymaster Mike Monaghan gave me a check he received from Isabel Laber. She wrote a check for \$100.00 in memory of her husband Marine Donald Laber,

designated to be used for the "Marines Helping Marines Fund." I sent her a thank you card for her generous donation on behalf of the Detachment. Members that attend funerals for Marines, whether they are on the Bereavement Team or not, are very much appreciated by the family and friends. Bob Hill remains in the Center at Centennial, 3490 Centennial Blvd., room 335, phone number: 719-685-8935. Bob is being treated for high blood pressure, some memory problems, and a minor stroke he suffered at the outset of his hospitalization. He is doing better and is undergoing physical therapy and working to improve

his memory. He welcomes visitors so if you haven't been to see him please consider doing so. As of 28 July he will remain at the Center for some time. Wayne Reynolds has also been undergoing some serious health problems. He had a couple of operations during July for kidney stones, and a recent related emergency visit to St. Francis hospital. He is home now recovering and says he is doing much better. He welcomes visitors and phone calls as well. His home number is 719-570-1446. Beth Waters would like to show a DVD of her husband Muddy's burial at Arlington National Cemetery following the conclusion of our next meeting at TREA in August. Senior Vice Commandant Russ Miller is working out the details for the showing. Please stay to see the DVD if at all possible as it is a great tribute to an Outstanding Marine. Please call me with any information you may have on any of our members that may be sick or, need help.

Hi everyone; I want to thank everyone for supporting our Cash Sales at our 19 July meeting; we took in close to \$200.00 dollars, this is not a large amount but every little bit we raise helps support our many projects. Now for a quick update - there will be no Cash Sales at our 16 August monthly meeting as I will be up in Cripple Creek for this year's "22nd Annual Salute to our Veterans Rally." Joe (the DI guy) and I will head up to Cripple Creek to set up for this year's Bike Rally early Thursday morning the 14th after Pro Promotions gives us our space assignments later that

Let's hope we get the same spot again. This three day rally will start the next day, the 15th, and runs thru Sunday the 17th. On 1 September (which is also Labor Day), many members of the Detachment will be lining up for the Labor Day Parade in Fountain, CO - at the same time they are staging for the Parade, we will be nearby in Metcalf Park setting up our Cash Sales tent, tables, etc. Let's hope for good weather and great day for fund raising. Early Saturday morning, 13 September, we will head up to Woodland Park for this year's 23rd Annual "Cruise above the Clouds" Car Show so bring your lawn chairs to this fun event. Cripple Creek 2011

This Month in History

Dates of Marine Corps Historical Significance

1 August 1944: After nine days of fighting in a battle termed "the perfect amphibious operation of World War II," MajGen Harry Schmidt, commander of V Amphibious Corps, declared the island of Tinian secured. The combination of surprise, heavy preassault bombardment, and effective logistical support was responsible for Tinian's recapture with a much lower casualty rate (344 killed and 1550 wounded) than had been experienced in previous landings.

3 August 1950: Eight Corsairs of VMF-214, the famed "Black Sheep" squadron of World War II, launched from the USS Sicily and executed the first Marine aviation mission in the Korean War in a raid against enemy installations near Inchon. After the F4Us delivered their incendiary bombs and rockets on their targets, the Marines concluded their greeting to the Communist troops with a series of strafing runs.

7 August 1990: President Bush ordered U.S. military aircraft and troops to Saudi Arabia as part of a multinational force to defend that nation against possible Iraqi invasion. One week later the Marine Corps announced the commitment of 45,000 troops to the Persian Gulf area as part of Operation Desert Shield which would become the largest deployment of U.S. forces since the Vietnam War.

9 August 1942: With the Guadalcanal airstrip secure after heavy fighting with the Japanese, the 1st

Engineer Battalion commenced work on the runway using captured equipment. Three days later, on 12 August, the first plane landed on Henderson Field, a Navy PBV which evacuated two wounded Marines. Nearly 3,000 wounded Marines would be evacuated from Henderson Field during the battle.

17 August 1942: Just prior to dawn, the 2d Marine Raider Battalion under LtCol Evans F. Carlson landed on Makin Island from the submarines Nautilus and Argonaut. The next day the Marines left the island after destroying a seaplane base, two radio stations, a supply warehouse, and killing about 100 Japanese soldiers.

21 August 1968: PFC James Anderson, Jr., was posthumously awarded the Medal of Honor by Secretary of the Navy, Paul R. Ignatius, for heroism in Vietnam while serving as a rifleman with Company F, 2d Battalion, 3d Marines in February 1967. This was the first Medal of Honor presented to an African-American Marine. His parents, Mr. and Mrs. James Anderson, Sr., received the award during ceremonies at Marine Barracks, 8th and I.

July Meeting

23 August 1984: The last Marines to serve peace-keeping duty in Lebanon arrived home. The 24th Marine Amphibious Unit (MAU) arrived off the coast of Lebanon on 9 April to relieve Marines of the 22d MAU who were guarding the U.S. Embassy in Beirut. The 24th MAU left Beirut on 31 July, marking the last presence of U.S. combat troops in Beirut since Marines entered almost two years earlier.

24 August 1814: Captain Samuel Miller's 100-man detachment from Marine Barracks, Washington, fought in the battle of Bladensburg for the defense of the national capital. After helping to fight back three British charges, Captain Miller was wounded and the enemy began to work around both flanks of the American force. Almost encircled, the force of sailors and Marines was forced to retire to avoid capture. The Marines lost 8 killed and 14 wounded.
