Marine Pat Lewis

Melvin Postlewait and Dwight Dell

Commandant Paul Hinojosa

Greetings Marines, FMF Corpsmen, Chaplains, and Associates,

March was a busy month! Although we didn't have too many events as a detachment, the staff was invited to several events such as the Mt. Carmel Center of Excellence located at 530 Communications Circle in Colorado Springs. This center is the brain child of ours truly, Jay Cimino, CEO of the Phil Long automotive group, Marine, and guest speaker at our 2015 Marine Corps ball. The center is open to all veterans, not just veterans who have recently left the military, ALL veterans. They offer various services and the great thing about that is, they are free to veterans and the veterans family. They offer services such as behavioral & Mental, educational, employment, financial, health and wellness, legal, and veterans services. So I encourage you to check them out, they've been around for a little over a year both here in Colorado Springs and in Trinidad and they hope to grow, but are currently working on getting the word out.

Speaking of getting the word out, one of my goals as Commandant is to get the word out on the League. Last year in the Dept. convention, a dept. staff member stated that the League is one of America's best kept secret. That hit home for me, when I found out about the league, back in 2010, I had no idea what that was, until Gunny Gibson dragged me in to a meet. Now...you're stuck with me. But seriously, I

have no background in advertising so I am sort of winging it here, we've implemented car magnets for parades and other events to advertise our detachment, they should be available in cash sales soon. But what I am asking of you, the members, mention the League and our detachment to others, word of mouth is our best and least costly advertisement that I know of, so talk us up!

I want to thank Pat Carty for the excellent job he continues to perform. In March, we had several funeral services which he attended, I know they're not easy, least not for me. So thank you Pat for the excellent work you do to show compassion for our fallen brethren, and for getting as much information and making yourself available to the families.

Peggy Baldwin is officially our Paymaster as of March 25 and I am looking forward to working with her, but I will miss working with Denise who has done a great job these past few years as our Paymaster and has stuck with it patiently, until someone else gallantly stepped up to the plate.

April is bringing some great events, stay tuned for information from our Junior Vice Commandant and keep a lookout for information as it comes available from our Webmaster and Senior Vice.

One final word, and I will bring this back up in our next detachment meeting. The El Paso County Bear Creek Regional Park located at 2002 Creek Crossing has installed a new Veterans Monument dedicated in honor and memory of the men and women of the El Paso County who serviced in the armed forces of the United States. The design includes an area for the installation of pavers. Each Paver is 12 X 12 and for \$60 per paver you can engrave each paver with name, branch and service dates. If interested, please contact; El Paso County Veterans Services, 5850 Championship View, suite 130, Colorado Springs 80922 or call 719-520-7750. I will have copies of the form to fill out for engraving, if interested. We appreciate your attendance, stay healthy and I will see you next month.

Semper Fi, Paul

Senior Vice Commandant Terry Crum

Greetings. This article is in response to the Detachment's March meeting. Some in attendance were offended by the message promoted by a member of the Detachment which some members took to mean the Marine Corps League supports Marines regardless of what crimes they commit. That we are deaf to the cries of victims of crime committed by Marines, that is not true. Once a Marine, always a Marine; however, when a Marine disgraces the Corps they become an ex-Marine. The MCL is here for the benefit of Marines and FMF Corpsmen from all ages, a fraternal organization. As many of you know, one of the main reasons of the Marine Corps League is to support and provide aide to Marines in time of need. This is accomplished by a variety of means including, but not limited to, friendly support, directing members to appropriate help agencies, and sometimes financial support.

The Marine Corps League is a nonpolitical organization. Our membership includes those of a diverse background, experiences, and beliefs. The MCL is for the benefit of all Marines and FMF Corpsmen. Any member of our detachment is welcome to express their opinions on a subject. As a reminder, this type of organization only works if the members remember to remain civil at all times. A former Detachment Commandant used to preach that there was no room in the MCL for "negativity". He was correct. Unbecoming behavior among membership is a very destructive force and can bring ruin to the best of groups and intentions. It runs counter to the concept of being fraternal.

In closing, I would like to remind everyone the values that make it possible for us to keep our honor clean, so we may always be proud to claim the title of United States Marines. Ooh Rah!

Semper Fi, Terry

Chaplain Pat Carty's message

Greetings Marines, FMF Corpsmen, Associates and, Friends. April... can you believe it? 2017 is well into the first quarter and, as is said "time marches on" and, we march with it. Sometimes it feels more like a forced march we can't fall out of! Sadly, though, some of our Marines and, family members were called out to report to a new duty station. One we will all report to one day, so keep your uniforms squared away and be ready to stand tall before the Man.

Among those who recently stood tall were Sgt. Major Jim Cody, at the age of 98. Jim served his Country and Corps in three wars: WWII, Korea and, Vietnam. He was a member of the Pikes Peak Detachment. Jr. Past Commandant Russ Miller said members of the Royal Gorge Detachment visited with him as he fought his last battle with Stage 4 Melanoma. A service for Marine Ted Hebel Smith was held 25 March. Ted served in the Marines from 1950 - 1953 at Parris Island. Rachel Dewey, daughter of member "Doc" Manuel Pedraza, passed away as the result of a skiing accident 19 March. Rachel was a teacher, mentor and, visionary leader. She lived life to its fullest, inviting us to do the same. Her service was held 23 March. There is an upcoming service for Marine John D. Martin 08 April in Westcliffe, CO at 1300. The location is Hope Evangelical Lutheran Church, in Lange Hall, 312 S. 3rd Street, Westcliffe, CO. We will be carpooling down there and, those who would like to attend this service please meet at Panera Bread, 1832 Southgate Ctr., Colorado Springs at 1000 on 08 April.

Associate member Don Lopes' home was completely destroyed in a fire mid-March. Commandant Paul Hinojosa talked to him recently and says that Don and his family are doing well under the circumstances. At this time, they are waiting for demolition on the remains of their house to begin so they can rebuild. The Young Marines among others have stepped up to help Don and his family with fund raising events. Our Detachment is standing by to help however necessary.

Gunny Garry Gibson says his wife, Marjorie, is valiantly battling her fight with cancer and appreciates your concern and prayers. Pat Thompson is recovering at home from a fall she suffered in March and, at last report was on the mend despite enduring a great deal of pain in her arm. It was very good to see "Doc" Jim Maurer and his wife Sally at the March MCL meeting. Agent Orange is taking its toll on Jim but, it is not keeping his spirit down. Jim and Sally also attended the service for Rachel Dewey.

On a happier note, Hank and Mary Hankins celebrated their 50th wedding anniversary 01 April. Many members of the Pikes Peak Detachment.

All members are invited. Here's to many more years together! Please continue to keep all our members in your thoughts and prayers and, let me know if you hear of any members or family members who may need our help. You are my eyes and ears...

Marine Corps Values

Honor

This is the bedrock of our character. It is the quality that empowers Marines to exemplify the ultimate in ethical and moral behavior: to never lie, cheat, or steal; to abide by an uncompromising code of integrity; to respect human dignity; and to have respect and concern for each other. It represents the maturity, dedication, trust, and dependability that commit Marines to act responsibly, be accountable for their actions, fulfill their obligations, and hold others accountable for their actions.

Courage

The heart of our Core Values, courage is the mental, moral, and physical strength ingrained in Marines that sees them through the challenges of combat and the mastery of fear, and to do what is right, to adhere to a higher standard of personal conduct, to lead by example, and to make tough decisions under stress and pressure. It is the inner strength that enables a Marine to take that extra step.

Commitment

This is the spirit of determination and dedication within members of a force of arms that leads to professionalism and mastery of the art of war. It promotes the highest order of discipline for unit and self and is the ingredient that instills dedication to Corps and country 24 hours a day, pride, concern for others, and an unrelenting determination to achieve a standard of excellence in every endeavor. Commitment is the value that establishes the Marine as the warrior and citizen others strive to emulate.
