Commandant Paul Hinojosa

Hello Marines, Navy FMF Corpsmen, Associate members and families. May was a busy month. No sooner had we completed one event that we barely had enough time to take a breather before the other event took place. We started May off by hosting the 2017 Department of Colorado Convention at the Colorado Springs Embassy Suites. I would like to say thank you to all our volunteers who helped out with the convention, starting with Denise Wickersheim and Peggy Baldwin who handled registrations from the start of day to end, attended business sessions and also helped manage the hospitality suite. I also want to thank Hank Hankins and Joe G. Martinez for manning the ships stores throughout the weekend. Let's not forget our detachment staff members who were present for all business sessions and helped represent the detachment, as well as Melvin Postlewait, Del Duvall, Helen and Bob Hill, Iris Rudesill. If I missed anyone, I truly apologize. With all in attendance, it helped us to earn the attendance award two years in a row! During the awards ceremony, our own Hank Hankins, Joe G. Martinez, and Pat Carty were awarded the Distinguished Citizen Silver award for the hard work they've put in for 2016, congrats!

We had approximately 84 plus souls attending the Department convention, which grew to 98 souls for the banquet. Col. Davis gave an enlightening speech on leadership, one that I was able to take away a great lesson from and I would also like to thank Vince Espinoza and friend for being our DJ during the banquet. The music was great! But a special thanks goes to our Jr. Past Commandant Russ Miller for coordinating the events, I don't recall one event that needed special attention, everything ran like clockwork.

The next big event was territory days in Old Colorado City. A special thanks to Joe G. Martinez, Hank Hankins, and Steve Peterson. Steve came all the way from Surprise, Arizona to experience the cold and wet weather from Saturday and still returned to help out the rest of the weekend (although he had two or three jackets on). Hang on, the list is not done yet, we had Roger Baty, Peggy Baldwin, Jamie and Elaine Rogers, and Pat Carty help out in Territory days where we experienced rain and cold weather on Saturday, hot and hotter on Sunday, followed by warm to hot and cloudy on Monday. Good times!

Finally, on Monday, Memorial day I wish to show my appreciation for Steve Schwartz, Gary George and their lovely wives, Pat Mesa, Pat Thompson, Terry Farstad, Paul Darrow, & Melvin Postlewait for representing the detachment at the Memorial park wreath laying ceremony and Fountain Veterans park wreath laying ceremony where Doris Purdy led us in the pledge of allegiance and her Uber driver Carmella Miller, and Joe V. Martinez who laid the wreath at the monument. My goal here was to name every member who volunteered and showed dedication towards our events and detachment, if I missed anyone, I truly apologize. It was a busy month!

Our prayers go out to Jim Woods who is was in Penrose Hospital this month with Sepsis, please keep him in your prayers, our Chaplain Pat Carty will keep our members apprised on how Jim is doing.

Finally, I hope that in addition to our detachment volunteers who participated at Memorial Park and at the Veterans Park in Fountain, that we all took some time to reflect on those who paid the ultimate sacrifice for our freedoms. I believe that at least 99% of us know or have experienced a loss of a brother or sister in service of our country, "our flag does not fly because of the wind.... it flies with the last breath of each soldier who died protecting it."

Semper Fi!

Paul

Senior Vice Commandant Terry Crum

Greetings, summer is upon us and I hope everyone is getting their fair share of it. Thanks to the members who contributed the pictures that adorn the pages of this newsletter from Detachment recent events. The greatest asset our detachments possess is the people whom make up the rank and file. The Marine, FMF Corpsmen, associate member next to you is the face of the Pikes Peak Detachment. Photos of these members are always welcome. After all – a picture is worth a thousand words.

Semper Fi, Terry

Junior Vice Commandant Steve Schwartz

A reminder that we will be participating in the annual July 4 parade in Monument. As soon as I receive the details we will forward the information to the Detachment.

MODD

We will have our next Growl immediately following our next Detachment meeting. Don't forget your Passports and bones. Do you know one of our members who would like to be a Devil Dog? Talk it up with them and invite them to join us on June 17. I'll be glad to talk to anyone interested. Until then WOOF WOOF!!!

Semper Fi and Woof! Woof!

Steve

Chaplain Pat Carty's message

Greetings Marines, FMF Corpsmen, Associates and, Friends. It was good to see Terry Boston and, Steve Peterson at the May meeting. Terry is back from Florida for a while, so hope we get to see a lot more of her smiling face while she is here. Steve Peterson plans to be in Colorado Springs for around a month and will be joined here by his wife before they return back to Arizona. Pat Thompson was in Kansas City the middle of May to attend A National POW Convention. Pat's husband was a prisoner of the Japanese during WWII - captured on Corregidor.

Memorial Day events held at Memorial Park and in Fountain were well represented by our Detachment Marines. Thanks to all who participated and attended. Jim Woods was in Penrose Main Hospital for a few days before being diagnosed with Sepsis. He was sent from there to Brookdale Bear Creek on S. 21st for treatment and physical therapy. Polly, Jim's wife, says he may be there for up to six weeks and looks forward to seeing visitors and, swapping stories. Jim really appreciates those who visited with him while in Penrose Main. Please say a prayer for Jim and all the other members and family members who are still undergoing health and other problems.

Mark Kuffman, the Colorado Department Junior Past Commandant, had an accident on his 4-wheeler and is in Denver Hospital with a broken pelvis and internal bleeding. It is believed that the have the bleeding stopped but surgery may be required. Please keep him in your prayers as well as his family.

Report of Officers**Commandant: Paul Hinojosa (read by Terry Crum)**

YM SgtMaj Angel Orozco, from the Pikes Peak Young Marines in Colorado Springs was selected as National Young Marine of the Year, one of 6-division finalist from across the nation to compete for this prestigious title. This is a huge achievement for a 17-year. YM SgtMaj Orozco will be given recognition by Dept. of Colorado and our Detachment.

The 2017 MCL convention which was hosted by our detachment and yours truly Russ Miller was a huge success! Our final head count was 84 for the convention, 98 with members and spouses that only attended the banquet. This three-day event went without a hitch and our very own Gunny Gibson was elected Dept. Commandant. Russ Miller was elected Judge Advocate, Terry Crum was appointed Adjutant and Dept. Web Sgt., and Paul Hinojosa was appointed Dept. Sgt. At Arms.

The Marine Corps League has agreed with the American University (AMU) for AMU to award two regular Marine Corps League members a full scholarship (four years) to receive a Bachelor's degree or (two years) to receive a Master's Degree. Interested applicants must apply no later than July 15, 2017. Visit <http://www.amu.apus.edu> for information on degrees and information on AMU.

Memorial day events; Wreath laying ceremony will be at Memorial Park on May 29 starting at 1000 hours, recommend you get there early for good parking.

Afterwards we have another ceremony in which Melvin P., Joe V. and Jim Woods will be attending. The ceremony is at the Mayors Park in Fountain at 1400 hours. It is located at 300 Iris Drive in Fountain. Would like to get some members out there too.

The Dept. has asked about getting as many members out to Golden, at the Marine Corps Memorial. This is a stretch. But if we get the word out and several members want to carpool out there, then let's support it. That ceremony starts at 1400 hours and it is located at 16899 W. Colfax Avenue, Golden CO 80401. The dept. officers stated red blazers, but if that is not possible, the red covers and det. vest.

The Detachment officers voted to donate \$200.00 to the Evergreen cemetery veteran's grave stone flag fund. The money collected for the fund will be used for to purchase 5"x8" flags for the graves of veterans.

This is not mandatory; we have enough events, as you can see, to attend here in our hometown. Again, if we have some who are interested and are willing to attend, then more power to them. I do not know if Gunny Gibson will be attending considering his situation, but he might as the new Dept. commandant.
