## Commandant Paul Hinojosa

Hello Marines, FMF Corpsmen & Chaplains, Associate members and Families!  
We had a great turnout for our meeting with 44 members, I mean it, we were elbows to elbow on the 19<sup>th</sup>. Not that I'm complaining, this is a good problem to have, I've approached the Parkers, owners of Sgt. Grill to see if we could use the adjacent room for next month, should we run into the same problem, they said they would be willing to work with us. I want to thank Gunny Matt Freeman from NORAD who brought with him several T-shirts for sale to help support the Marine Corps Ball. The month of May was a busy for our detachment. We had the Dept. convention in Denver and Territory days from May 26 to May 28. I want to give a shout out to all the volunteers who came out to help with cash sales, a special thanks to those who stayed from open to closing on all three days! That was not easy for them, it was hot, then it got hotter.

I also want to thank those who helped to represent the Detachment on Monday at the Memorial Park Veterans monument, Ms. Doris Purdy, Gary and Karen George, Pat Mesa, Pat Carty, Paul Darrow and Melvin Postlewait. We also had a past member show and help out, we hope to see him at our next meeting. I do want to apologize for the mix up for start time of the event. Two groups coordinated the event, with two different start times. The Fountain event, which was scheduled for 2 PM, and started at 2 PM went without a hitch. The event completed just 10 minutes prior to the storm. My thanks again to Pat Carty, Gary and Karen George, Melvin and Paul Darrow.

DOD warrior games June 2 to June 10, you're hearing about this from our newsletters, in the news, and on the radio. I do not think it's too late to volunteer! I was on the site a couple days ago and several events are still open. If you can, I encourage you to volunteer. I hear, the last time they were here, it was a great time and there is a BBQ scheduled for the last day of the events.

I'm gonna keep this short for this month...You're welcome! Please, be safe and stay healthy, if you need help, please do not hesitate to ask us for it. We are here for each other, we are family.

Semper Fi, Paul

### Senior Vice Commandant Terry Crum

For my article this month I have elected to give a shout out to a member of the Pikes Peak Detachment: Marine Heike Karr. Heike, as many of you will remember, was an active member of the Pikes Peak Detachment prior to becoming a member of the City of Cripple Creek Police Department. She was recently in the news in which she received non-life threatening injuries during the physical confrontation with a criminal. The core values of "honor, courage, and commitment" Heike developed during her career in the Marine Corps have continued to be the foundation of her current career as a police officer. After all these years, the desire to serve still shines bright. The picture below is from the 2014 July 4<sup>th</sup> parade and the article is from the KOAA news website.  
Semper Fi, Terry

KOAA News article written by Tyler Dumas

The Teller County Sheriff's Office has identified the officers involved in an incident on Highway 67 last Sunday in Teller County.

The incident began when Teller County deputies and Cripple Creek Police officers responded to a suspicious person call in the 1200 block of Highway 67 in Teller County. When officers arrived on scene, they located an adult male who immediately took off in a vehicle.

Police said that after a short chase, the suspect crashed his vehicle at mile marker 51.

According to police, as they approached the suspect, they were "aggressively attacked." Officers fired at least one shot and the suspect was hit. The suspect was then transported to a local hospital with non-life threatening injuries.

Fifty-two-year-old Jeffery Boyd Bader was identified and charged with attempted murder in the first degree, second degree assault and vehicular eluding.

Deputy Mark Bisset from the Teller County Sheriff's Office and Officer Heike Karr from the Cripple Creek Police Department received non-life threatening injuries during the physical confrontation. Both officers were transported to a local hospital where they were treated for their injuries and have now been released. The officers are expected to make a full recovery.

## Junior Vice Commandant Pat Carty

Greetings Marines, Associates, FMF Corpsmen and, Friends. In addition to the events Commandant Paul Hinojosa covered, we had several Detachment members at the Pikes Peak National Cemetery Dedication Ceremony on 25 May. MCL members attending were: Paul Darrow (PPNC committee member) Gary and Karen George, Pat Mesa, Russ Miller, Melvin Postlewait and, yours truly. Master of Ceremonies was Dianne Derby from KKTU. The keynote address was delivered by the Honorable Randy Reeves - Under Secretary for Memorial Affairs. U.S. Senator Michael Bennett, U.S. Congressman Doug Lamborn and, others addressed the large gathering as well. Cemetery construction is on schedule and, will begin burials in October 2018. Please see or, call Paul Darrow for more information.

The monthly veteran's luncheon, 08 May, also had a good turnout with over 50 veterans turning up. Please consider joining us for the next luncheon on 12 June at the Western Omelette [16 S. Walnut St., Colorado Springs](#). The 4th of July Parade in Monument is just around the corner. I'll keep you posted with more details as we get closer. Hope to see you all at the next Detachment meeting at Sarges' Grill on 16 June.

Semper Fi, Pat

## Chaplain Jamie Rogers

Thankfully not too much to relate this month. Karen George continues to improve after her surgery. She is feeling much better than she did during May's meeting. Also during the last month, I did attend the funeral service for Glenn Dody. His obituary is posted below.

Thanks, Jamie

Woof! Woof! Devil Dogs. A couple of reminders for the next few months: we will have our next Growl after the Detachment meeting in July and our elections for new officers will take place in September. I have a few requests for all of you:

1. Please make it a point to attend all of our Growls. I've noticed that some of you have left after the Detachment meeting and I would appreciate you staying an extra 1/2 hour for our Growl.
  2. I've said this many times-we cannot grow as a Pound unless we secure new Dogs. Please think about joining our ranks. Current Devil Dogs-talk to your friends and encourage them to join us. They can talk to me in person, call, text or email for more information. Don't wait for an invitation! Do what Marines always do; take the initiative and step up to the plate. THIS COULD NOT BE MORE IMPORTANT!!!
  3. Tom Krueger, our Kennel Smart Dog, told me that he would like to visit us for one of our Growls. If we can arrange it, it would be great to have him here in September for the installation of officers and initiation of new Pups. I'm charging all of you to help make this happen!! Enjoy your summer Devil Dogs!!

Health of our Members:

Glad to see Iris back with us today.

Cathy Schwartz has is recovering from her surgery. All cancer has been removed and there is no indication that there are any cancerous cells remaining. Great news for Steve and their entire family.

Doc Mauer is doing fine. He is still trying to get his blood pressure under control and hopes to visit a meeting in the near future.

Doc Evans is in home hospice care. Pat Carty has visited Doc and has reported the following: I went to see "Doc" Frank Evans on Tuesday and discovered he had been driving himself to Doctors appointments. After talking with him and his wife Marcee I concluded that he should not be driving. She has hung up her car keys for good but Frank wants to be independent and, carry on. Frank has swelling in his left hand and feet because of congestive heart failure and kidney problems and, has to be oxygen 24/7. He has difficulty maneuvering and, it is unsafe for him to be driving. He is under home Hospice care and, Hospice nurses come to his home twice a week to render aid. The reason for Hospice is that the hospital doctors concluded that they could no longer do anything for him unless he underwent surgery. Surgery at his age (93), to correct the problems, would only exacerbate the problem. Most likely causing him to have to undergo dialysis. Frank, understandably, declined surgery and, opted for home Hospice care. I took him to a doctor's appointment yesterday and, will do so in the future.

Frank welcomes visitors and, phone calls. Please call before to see if it is convenient to visit. I know that it is difficult to contact him by phone, at times. It depends on where he and Marcee are in their home for them to hear the phone. Both are very hard of hearing, so keep on trying and eventually they will hear it. The number to reach them is 719-475-7559.

Karen George had hernia surgery recently. The anesthesia was rough but she is back and doing well.
