## 1 Why You Need to Read About This Handbook

This handbook gives you valuable information about your course – required texts, policies, etc. introduces the training courses offered by the Yoga Academy of North America (YANA), including two Yogic Studies and two Teacher Training courses.

Yoga Academy of North America is a 501(c)(3) tax exempt nonprofit organization. YANA provides educational and service opportunities to transform your life and the lives of others. YANA is a nonprofit 501(c)3 organization dedicated to providing Yogic Studies and Teacher Training in the Satyananda tradition.

This handbook contains information on the requirements, policies, and procedures encompassing these courses. Even if you have participated in previous Yogic Studies or Teacher Training programs in North America, or from among the several providers of this training worldwide, you should review this whole handbook. **Your application for enrollment in any course must be accompanied by your signature indicating that you have read and understood this document and agree to abide by its guidelines.**

For information about other courses conducted by worldwide SATYANANDA YOGA® Academies in Mangrove and Rocklyn, Australia; Bogota, Colombia; Europe and the Founding location in Munger, India, please refer to Section 2 of this handbook.

~~2 Yoga Academy of North America is a 501(c)(3) tax exempt nonprofit organization. About SATYANANDA YOGA® A disciple of Swami Sivananda of Rishikesh, India, Swami Satyananda founded the Bihar School of Yoga in Munger in 1963. Under his guidance, the ancient wisdom of yoga was made more accessible to a modern, scientific way of thinking. In fulfilling his mission to spread yoga worldwide, Swami Satyananda was one of the earliest yoga masters to bring yoga training to the West. There are now Satyananda Yoga teachers in most countries around the world.~~

Satyananda Yoga has developed into an internationally renowned system. It provides a coherent philosophy of life without postulating any religious or political beliefs. It provides everyone, regardless of their social background, with tools for health, peace of mind and an inspired vision for their lives. People who practice Satyananda Yoga are of all ages, levels of fitness and walks of life.

Satyananda Yoga draws on a number of traditional systems of yoga, including Hatha, Raja, Karma, Jnana, Mantra and Bhakti yoga. Its practices are adaptable and can accommodate individual needs.

When Swami Satyananda retired from public life in 1988, he appointed Swami Niranjanananda as his successor. Swami Niranjanananda extended the work of bringing yoga into the modern world and in 1994 established Bihar Yoga Bharati at Munger, which became the world's first Yoga University. In 2008, Swami Niranjanananda turned over the administrative duties of Bihar School of Yoga to Swami Suryaprasad.

The establishment of Bihar Yoga Bharati is the fulfillment of the vision of Swami Sivananda as transmitted through Swami Satyananda and Swami Niranjanananda. It combines the academic study of yoga with the personal experience of living in an ashram (place of spiritual learning) environment. Its goal is the holistic growth of the student,

with equal emphasis on physical, mental and spiritual development. As a living master, Swami Niranjanananda is able to inspire and direct the presentation and relevance of yoga to a changing world.

### 2.1 Provision of Yogic Studies and Teacher Training in North America

Training in the Satyananda Yoga tradition has been offered in North America since 2000 when the Atma Center in Cleveland Heights, Ohio, a city center yoga studio, provided an in-depth teacher training program. In 2002, the Atma Center began to provide the Yogic Studies and Teacher Training courses under license from the SATYANANDA YOGA® ACADEMY Australasia. Since 2000, nearly 200 students have received in-depth training in the Satyananda Yoga tradition through this program. The growth of Satyananda Yoga has continued with the establishment of the North American Gurukul in 2004 and the Yoga Academy of North America in 2007. The North American Gurukul, or NAG was a tax-exempt, nonprofit umbrella organization dedicated to the growth of Satyananda Yoga in North America. Its motto of "Connect, Discover, Serve" guided its mission.

The Yoga Academy of North America was a tax-exempt, nonprofit subsidiary organization of NAG responsible for providing two levels of Yogic Studies and Teacher Training.

In 2015, these two organizations were merged. The surviving entity is tax-exempt and is named the Yoga Academy of North America. YANA will continue to provide Yogic Studies and Teacher Training, but is now also charged with all aspects of developing Satyananda Yoga in North America.

The Teacher Training Program continues to be registered with the Yoga Alliance, a non-profit organization dedicated to establishing standards within the yoga community. Refer to Section 78 of the YANA Student Handbook for more details on available qualifications.

**Mind, Mind Management & Raja Yoga, Niranjanananda**

## Yogic Studies Level 2:

Pre-requisite: YS Level 1

Yogic Studies Level 2 takes you further into the theory and practice of yoga with an emphasis on philosophy. You are introduced to the traditional texts of Patanjali's Yoga Sutras and the Bhagavad Gita, and you investigate the relationship of Tantra, Samkhya, and Vedanta to modern yoga. The techniques of mudra and bandha are integral parts of this unit, along with further explorations of the chakras and yogic psychology.

There is an emphasis on critical skills so the student can continue learning about yoga outside of structured courses.

### 3.2 Yogic Studies Subjects

#### Asana:

Asana includes practice and understanding of the postures used in SATYANANDA YOGA®, including those unique to the tradition such as the Pawanmuktasana™ series. While the understanding and practice of asana is important in Yogic Studies, physical prowess is not a requirement.

#### Pranayama:

Like asana, this subject is progressively developed over the duration of the course. Emphasis is given to learning, understanding and experiencing a range of pranayama practices as these are a strong feature both of the Satyananda style and this course.

#### Shatkarmas:

The core cleansing practices of Hatha Yoga are introduced and students are given the opportunity to integrate some of these practices into one's daily life.

#### Satyananda Yoga Nidra®:

The depth of this practice is unique to Satyananda Yoga. Not only is it a relaxation technique but as a pratyahara practice, it provides a gentle way of integrating subconscious mental and emotional material. For this reason, Satyananda Yoga Nidra® is thoroughly explored and expanded over the duration of the courses.

#### Meditation:

Explore a range of meditation practices that will provide the necessary tools to relieve the stresses of daily living and enhance concentration and focus.

#### Mudra and Bandha:

Practice a range of techniques for harnessing and redirecting energy and awareness.

#### Yogic History, Philosophy and Culture:

Swami Niranjanananda has said "philosophy without practice is meaningless, but practice without philosophy is equally futile." To understand yoga and its application today, it is important to know its cultural origins and underlying philosophies.

#### Yogic Physiology:

Examine the subtle dimensions and energy systems—including nadis, pranas, and chakras—of the human organism.

#### Yogic Psychology:

Gain a yogic understanding of consciousness, awareness, mind, perception and cognition, personality, intellect and emotion. Learn practical tools for managing the mind.

#### Anatomy & Physiology:

Learn how yogic practices affect the major systems of the human body and how to modify these practices for your physical needs.

#### Integration of Yogic Principles:

Yogic theory and practice are synthesized into life skills.

- 2) The Individual Study period consists of home practices, quizzes, assignments and reading.
- 3) The Final Assessment period involves written and practical exams at the end of each Level.

Courses vary in length, depending on the course. The following chart depicts the residential learning period days, home practice weeks, and final assessment days for all four courses.

Course	Residential Learning Period Days	Home Study Weeks ± Webinars	Final Assessment Days
Yogic Studies 1	9 (Friday eve to next Sun afternoon)	<del>32 with 524 weeks;</del> <del>2 th 2 short</del>	1
Teacher Training 1	<u>9 (Friday eve to next Sun afternoon)</u> <sup>44</sup>	<u>28-30 weeks;</u> <u>2 webinars</u>	1-2
Yogic Studies 2	9 (Friday eve to next Sun afternoon)	<del>3240 weeks;</del> <del>th 35</del> <del>3 webinars</del>	1
Teacher Training 2	<u>9 (Friday eve to next Sun afternoon)</u> <sup>44</sup>	<u>28-30 weeks;</u> <u>2 webinars</u>	2

Note: To receive a Certificate of Completion for TT1 & TT2, the following independent training is also required:

- A current First Aid and CPR certification, that is taken independently and requires approximately 12 additional days of study through a recognized agency such as the Red Cross, American Heart Association, etc. which requires approximately 1 additional day of study.
- Darkness to Light's "Stewards of Children" course, a 2-hour online training in child sexual abuse prevention.

Note: Teacher Training students must schedule individual teaching practicals with their Course Coordinator. See Section 74.4 below.

The Residential Learning Period of each course offers an immersion in the many facets of yoga and yoga teaching. Classes and activities ~~run from early morning until evening late afternoon with little spare time~~ run the whole day with short breaks and a lunch hour. It will be difficult to spend time on other projects, such as work, phone calls or email. There is no child care provided during these courses.

For a sample course time-table of the course you plan to attend, please contact ~~the Course Coordinator~~ YANA at info@yogaacademyna.org.

Given that everyone's circumstances are unique, bridging must be coordinated on a case-by-case basis. In short, bridging work covers the information in the new course that was not in the old one. The majority of this new information concerns Anatomy and Physiology. Upon enrolling in your next course, completing your bridging application form and paying the relevant fees, you will be supplied with all relevant bridging materials and be directed to an online site where you will find additional resources and assessment tasks. Please note that bridging does not require any on-site work; all training and assessment can be done from home. Students who have completed courses from one of our international partners should contact us directly to determine what bridging work may be required.

### 7.2 What does it cost to bridge?

This is determined on a case-by-case basis. Bridging will generally cost between \$50 and \$215.

### 7.3 How do I apply to bridge?

Contact YANA directly at [info@yogaacademyana.org](mailto:info@yogaacademyana.org) to receive a bridging application form.

- ~~• To create an organization and structure that meets the highest international standards and to support training and learning of yogic disciplines and the practical experience of yogic lifestyle.~~
- ~~• To assist in the alleviation of suffering and benefit those in need by exemplifying and making available the practices and lifestyle skills of yoga.~~

~~An informal partnership among Academies provides recognition of prior learning equivalencies (see below) to students who have completed various courses from within the academy structure. In 2003, the Academy was registered in New South Wales as a Registered Training Organization (RTO) and its Diploma of Satyananda Yoga Teaching was accredited under the Australian Qualification Training Framework. The Diploma course used to be a 3-year degree and now is a 2-year degree.

The Diploma of Satyananda Yoga Training is unique in yoga teacher training in Australia in offering a nationally recognized qualification combined with the opportunity for intensive personal yoga practice within an ashram environment.

The first portion of the Diploma consists of three Yogic Studies courses. These courses provide a thorough training in yoga theory and the development of a strong personal yoga practice (sadhana). The teacher training course is the final course for the Diploma and focuses on how to effectively share with others what has been learned in the preceding courses.

## ~~17.12 Yogic Lifestyle~~

~~The experience of living a yogic lifestyle is an essential component of this course and is based on traditional principles adapted to modern times. Please contemplate the following requirements of a yogic lifestyle:~~

### ~~17.1 Karma Yoga~~

~~Karma yoga is an essential component of a yogic lifestyle. Karma yoga is any action performed with awareness and without attachment to the result. It can be described as meditation in action. Karma yoga provides an opportunity to watch your thoughts and reactions. It assists in the development of an attitude of non-attachment which allows you to be less affected by the responses of others and the outcome of events.~~

~~Everyone contributes to the running of the course in the spirit of service through karma yoga. You may help prepare food, the studios, the facilities or assist in office-based tasks. You will be assigned to assist with daily cleaning and meal cleanups.~~

### ~~17.2 Kirtan~~

~~Kirtan is the practice of singing mantras to music and is practiced regularly as a part of the yogic lifestyle. The sound vibrations created through the continuous repetition of the mantra expand the consciousness. The practice harmonizes emotion and intellect as well as releasing emotional tension, bringing about a state of tranquility.~~

### ~~17.3.12.1 Silence (Mouna)~~

~~Observing mouna (silence) provides conditions conducive for self-reflection and observation, as well as for study, meditation or simply rest. Mouna is practiced daily for periods of time. In the residential facility, mouna is from 8pm through breakfast. Mouna is expected in certain areas and rooms at all times.~~

### ~~17.4.12.2 Respect for Sadhana Halls~~

~~The sadhana halls are areas set aside for yoga practice. Please feel free to use the space outside of program times for your own practice, meditation or contemplation. However, to maintain an atmosphere that is conducive to practice, please maintain mouna in the sadhana halls.~~

### ~~17.5 Sleep~~

~~Developing regular patterns in both work and sleep is critical to successful completion of the program. Since the first activity of the day starts at an early hour, you will be expected to go to sleep at a reasonable hour. If you are staying at the residential facility, there will be guidelines for silence and sleeping times.~~

If you have taken sannyasa or received mantra diksha, it is suggested that you wear the color appropriate to your level of initiation during the course. The color white can be worn by all students, as it represents a new beginning.

## 18.13 Academic Life

### 18.113.1 Induction

The residential learning period for each course begins with an induction which introduces you to the staff and facilities and to the daily program of yogic practices and lifestyle. You will receive the course timetable showing class locations, times and topics. You will also receive a resource folder containing detailed information on the course, handouts and assessment requirements.

### 18.213.2 Teaching Staff

All teachers have qualifications in SATYANANDA YOGA® teaching and extensive experience in yoga. In addition, many have professional qualifications or specialist degrees in their subject areas. See the staff list at the end of this Handbook.

### 18.313.3 Assessment Methods

Specific course assessment information will be provided during the student induction process at the outset of a course. You will be given feedback on your performance.

~~For most courses, the assessment tasks consist of:~~

- ~~Attendance at classes during the residential learning period~~
- ~~Assessment tasks during the residential learning period~~
- ~~Successful completion of all quizzes, assignments and/or home study tasks throughout the course~~
- ~~Final assessments, both practical and theoretical~~

~~All of these tasks must be completed in order to satisfy the requirements for a subject. If an assessment task does not meet the required standard, it will be returned as "incomplete." Detailed guidance on the resubmission of home study will be provided during the residential learning period of the course. In order to receive a Certificate of Achievement for any course offered through YANA, you must successfully meet the requisite Standards of Competency.~~

### 18.413.4 Appeals, Complaints and Grievance Procedures

A formal complaint process can be activated by contacting ~~your~~the Course Coordinator. There is a provision for appeal to an independent panel or person who shall not have had involvement with the complaint. The person or panel may draw on independent outside expertise as required. The decision made will be binding on all parties. The procedure provides for each complaint, appeal or grievance to be resolved promptly and for its outcome to be recorded in writing.

### 19-14.1 Respect

The Academy is committed to a wide range of policies designed to provide a safe, supportive learning environment.

You have a responsibility to treat all others with respect and dignity and not to behave in a way that could be seen as threatening, offensive or embarrassing to others. You are expected to comply with reasonable directions from teachers and other course staff and with the guidelines of the courses.

### 19-214.2 Personal Relationships between Staff and Students

If the smell of smoke on your person or belongings causes disruption during the residential learning classes or at the residential facility, you may be asked to leave until the issue is resolved.~~ Alcohol and the use of illegal drugs are prohibited at the Atma Center and at the ~~R~~residential ~~F~~facility. Violation of this policy will result in all participation in the course ~~bring being~~ terminated with no refund ~~of monies~~. The appropriate law enforcement officials may also be notified. ~~It is strongly suggested that you inform YANA staff of all prescription medications you are taking on the Health Information Form to avoid any complications.~~

## 2015 Logistics

### 20.115.1 Course Location

Yoga Academy of North America (YANA) courses conducted at our location in Cleveland, Ohio are held within the Atma Center, 2319 Lee Road, Cleveland Heights, Ohio 44118 and our Residential Facility, Kurukshetra, nearby. Free parking is available in the lot behind the Atma Center building. The phone number for the Atma Center is (216) 371-9760. The phone is answered during normal business hours and this number may be given out for family and friends to use for emergency purposes only. The business phone will not be available for personal calls. Cell phones and pagers are not permitted inside the studios.

~~They may be left at the front desk during business hours if you are expecting an emergency call; a staff member will notify you if such a call is received.~~

#### 20.2 Directions to Atma Center

**From the West via I-90:** Take I-90 East to the Carnegie Exit (172-C). There is only one way to turn onto Carnegie, which is right. Follow Carnegie about 3.3 miles through University Circle, where it turns into Cedar Road. Follow Cedar about 2 miles until you reach the Lee Road intersection. Make a right on Lee; the Center will be on the left hand side, across from a Shell station. Turn left onto Dellwood and turn left again into the second driveway, which is the Center's parking lot.

**From the East:** Take I-90 West to 271 South exit. Take Exit 32, Brainard Road, toward Cedar Road. Turn left onto Brainard, then right onto Cedar. You will pass through major intersections with Richmond Road, Warrensville Center Road, and Taylor Road. The next major intersection beyond Taylor is Lee Road. Take a left on Lee; the Center will be on the left hand side, across from a Shell station. Turn left onto Dellwood and turn left again into the second driveway, which is the Center's parking lot.

**From the South via I-271:** Take the Cedar Road exit and go West. You will pass through major intersections with Richmond Road, Warrensville Center Road, and Taylor Road. The next major intersection beyond Taylor is Lee Road. Take a left on Lee; the Center will be on the left hand side, across from a Shell station. Turn left onto Dellwood and turn left again into the second driveway, which is the Center's parking lot.

**From Cleveland-Hopkins International Airport to Atma Center:** Public transportation is available from the airport via the Red Line Rapid (66) to the Superior Sstation, transferring to the 40 bus line south to 2319 Lee Road (a few blocks past the Cedar-Lee intersection, across from the Shell Station and just before the Main Library, which has a stylish bridge over Lee Road). Another option is to take the Red Line to the University Circle Sstation, take the 32 up Cedar Road to Lee Road and walk the four blocks to the Center. The best option will depend on the day and time of day you wish to travel. More information is available at [www.riderta.com](http://www.riderta.com).

Please note that public transportation in Cleveland is not as regular, reliable, or safe as in many other major cities. If you plan to arrive after dark, travel to the Superior Rapid Station is not recommended; plan to have someone meet you at a different rapid station or find another method from the airport, such as a taxi. If you are uncertain about the safety of a particular route, please inquire. Information on taxis and other methods of transportation from the *airport* are available on the airport's web-site at <http://www.clevelandairport.com>. Allow about a half hour drive time (in a car/taxi) from the airport; public transportation will take at least twice as long.

**Please note that YANA does not provide transportation.**
