

GREECE TRIP 2020

**Satyanandashram Hellas, Santorini,
Delphi, Nafplio, Athens**

**Led by YANA Board Member
Kapil Agrawal**

This journey will provide you with a unique experience of yoga beyond what is commonly seen. Arrive in Athens and head to Satyanandashram Hellas to immerse yourself in a Yogic lifestyle experience that you can take home with you and make your own. This ashram was founded in 1978 by Yogacharya Swami Sivamurti Saraswati following a mandate by her guru, Swami Satyananda Saraswati, and offers aspirants the opportunity to broaden their minds and imbibe positive samskaras (impressions) through seva (selfless service) and self enquiry.

From the ashram, we travel to Santorini, the precious gem of the Aegean. Spend three days taking in the beauty of this remarkable island, the amazing views out over the Aegean, and soaking up the distinctive atmosphere of the local villages.

After Santorini, we travel to Athens and explore the mainland: a trip to the sanctuary of Delphi, regarded by the ancient Greeks as the center of the world; a hop to the seaport town of Nafplio, the capital of the First Hellenic Republic; a tour of the Acropolis, the ancient citadel of great architectural and historical significance, located above the city of Athens.

Join us for this special experience!
