USCGITA memberships renew automatically on the annual anniversary of the date on which you became a member. USCGITA bills annual membership dues three months before your new membership cycle begins and is due one month prior to your membership expiration. If for any reason you do not want your membership to automatically renew, please let us know in writing at least 30 days prior to your expiration date. Bills still unpaid one month after the due date are deemed delinquent and will lead to loss of membership. If you wish to resign or cancel your membership, you must give written notice to the USCGITA Executive Director at least one calendar month before annual renewal. Until your written notice is received, your membership remains active and your membership dues will continue to accrue for the prorated month(s).
