Dear Director

We Are A Company Worth Following-- Offering The Best In Officer Leadership And Team Unity

Welcome to Danceline Camps, and thank you for joining the thousands of other directors and dancers who have experienced one of the most acclaimed dance and leadership camps. Our camps have received some of the highest ratings in the dance/drill industry from our many happy directors and dancers. We believe that creating a positive atmosphere that will motivate our customers to be their best is key. Studies prove that motivated people are happier, healthier and more focused. We are proud to be a part of something that is so much greater than us!

By attending our camps, contests and other events, you are supporting a company that has remained true to the important values of what matters most every day since we started in 1978! We love serving you and your dancers and look forward each year to our exciting summer season. All of our staff are extremely talented dancers and share our vision of being a light in this world. You will love what we have to offer.

Our summer camps are very important to us. We serve a large variety of schools from rural to larger metropolitan teams. We understand that some teams have members with years of dance training and some schools have members who have never danced before making the drill team. We want your camp experience to be the best, so we ask that you provide us with as much information as possible about your group prior to camp. At Danceline, you are more than just another officer group or team to us. We want to get to know you, learn with you and help your

group achieve their greatest potential this year! Obviously, providing this extra attention to each group requires a great deal of preparation for our company and instructors. In order for us to adequately prepare, we need your information completed and returned as soon as possible.

Danceline camps demand a great deal out of each dancer to help her reach her best. Our camps are a learning atmosphere rather than a competitive one. Each group is evaluated and critiqued each day to help them grow as leaders, team players and dancers. At the end of our hotel camps, we present various awards to celebrate each group's achievements throughout the week.

Please take the time to read through the entire information packet and feel free to contact us prior to camp should you have any questions or special needs. We look forward to seeing you and your dancers soon!

Kindest Regards,

Jennifer Boyd

Fantastic job on choreo!!! I'm so happy that you do such detailed routines instead of cheesy "stock" routines. It's very much appreciated that you all put in so much time and effort in preparation of choreo as well as seminars.

ELITE AUDITIONS

Each camp has an Elite Program audition process in which all campers are required to participate. The Elite Pom Routine will be taught at camp with the audition being on the last day. This audition is closed to outside spectators.

ELITE DANCERS

On the last day of camp, there is an award ceremony for which parents, friends and family are welcome to attend. During that ceremony, Elite Dancers will be announced and awarded with a certificate of acceptance with the opportunity to travel with us in the coming year to any of our Elite Trip Destinations.

HOW TO MAKE THE ELITE TEAM

Traveling with Danceline USA is special and has a set of requirements in order to be invited. Dance skill and performance are the majority of the audition process but we also include overall attitude and impression. Each dancer selected for the Elite Team must have a great attitude all week at camp, demonstrate poise and good character along with performance showmanship and memory of routine during the audition process.

VIDEO AUDITIONS

We understand that not all dancers will be accepted as part of the Elite Team at camp because they may simply need a little more practice time. If your dancers wish to travel with Danceline but do not make the Elite Team at camp, they are welcome to submit a video audition to us by August 31st. If they are selected, their

certificate of acceptance will be mailed to the school along with their invitation to attend our Elite Trips.

GROUPS OF 35+

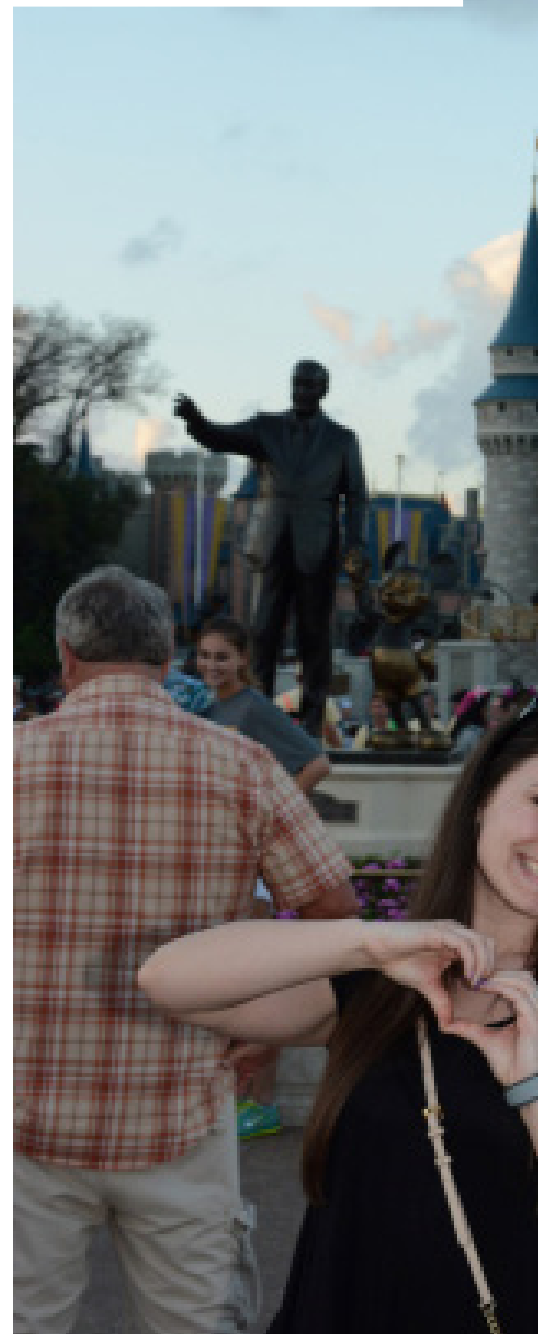

There is a special incentive for directors who have a group traveling of 35 or more. We will discuss this during our Director Opening Session or you are welcome to contact our office about it at 1-800-94DANCE. This number of travelers can include Elite Dancers, Chaperones, Directors, Family Members, etc.

W Elite Team Members will given an invitation to travel with us that includes the trip registration form.
