FROM THE DIRECTOR

We are so excited to be celebrating our 40th Danceline Year with you! In 1978 our founder, Anita Jefferson Conley had a dream of creating a dance company like no other; focusing on both dance and leadership to help young women from all backgrounds reach their greatest potential. I still remember the first time I met Anita and attended Danceline camp as a senior in high school. The experience was amazing.....so different from the other companies my director had taken us in previous years. It was a life changing experience that fed my passion for leadership and helping others. When I was given the honor of serving as executive director over 17 years ago, my desire was to continue to build on our company's strong foundation. We have grown each season and continue to remain true to our values. Our staff and customers create an environment that develops positive change. We look forward to having you join us in 2018 for our 40th Anniversary Party! Start with our contests and end with a great summer camp experience!

We know there are many choices for dance competitions and we thank you for your support of Danceline. When you attend our events, you are contributing to a company that continually supports values of what matters most.

Our customers consistently rate our company with the highest evaluations for our professionalism, integrity to our values and amazing friendly staff. From the moment you enter our event, you will love the positive difference! We guarantee you will have a great day and we wish you the best!

Kindest Regards,
Jennifer Boyd, Danceline Executive Director

We are pleased to offer three unique contest opportunities this year. Read the descriptions below to see which ones best suit your team and dancers. Remember, if you attend more than one of our events, you are eligible for great discounts!
