Adoptive puppy owners often have a preference as to which puppy; please describe which of the puppies your first 3 choices are.

1st Choice: _____

2nd Choice: _____

3rd Choice: _____

We hope that one of our wonderful healthy happy puppies will steal your heart and our goal is to match up puppies and owners. Please do not hesitate to ask any questions about the puppies, their parents, our other dogs, our philosophy on care and training or anything you think important for your prospective adoption.
