

HAVOC CITY ELITE ALUMNI'S

Havoc City Elite Basketball started in 2009, We are forever grateful to have been apart of a village that served such a talented group of young women. To the families that TRUSTED in our program and VISION, we THANK YOU for believing and remaining LOYAL over the years. Several athletes have been apart of the Havoc City Elite basketball programs and have received athletic scholarships to play on a collegiate level

HAVOC CITY HALL OF FAME (THE LEGENDS)

These ladies paved the way, and laid the foundation for future Havoc city athletes. Their bond was strong and formed a true sisterhood. This special group played against anyone and hearts were battle tested. They always stepped up to the challenge, believed in their coach and trusted the process.
