

# Oasis Dance Camp Retreat 2019

Delray Beach, Florida

**CASSANDRA SHORE, KAY HARDY CAMPBELL & NICOLE LECORNE**

January 31 - February 3, 2019

Oasis features technique and choreography classes with Cassandra Shore. During the retreat this year she will focus on the 'lost art' of dancing with finger cymbals. Optional Master Classes with Cassandra will be aimed at developing and honing your skills as a solo performer. Kay Hardy Campbell will instruct us in Khaliji with a choreography. We are offering an Advanced Drum learning track taught by Nicole LeCorgne. The classes will focus on accompaniment to choreographic numbers taught by Cassandra and Kay. Nicole will also accompany morning technique classes. We will have two evenings with performances, henna painting and time to get to know one another.
