Pat Siedenburg, Director

January 2017

Happy New Year!! I hope your Christmas break was restful as much as it could be and that your family is now back to health!

Our Christmas Program

We will plan on holding our Children's Christmas Program on January 12th, at 4:30. We will also have our class party that week, so please send your wrapped book for a friend if you have not yet sent one in. Cookie sign up for the Program is on our counter. Drinks provided.

Show and Tell

On January 5th Children can bring one gift that they received for Christmas to show and tell about in class. Items will not be played with.

Winter Wear

Please be sure to send **tennis shoes with the children each day. Snow Boots in the classroom are too warm and cumbersome for the children and after walking/playing outside leave a mess in the classroom and creates a slipping hazard. Also please pack kids snow pants, boots, mittens, etc. in a separate bag. They need the space in their backpacks to put papers and notes to go home. Remember that snow pants are not necessary until Thursdays if the weather is appropriate for our outside play. Check our policy for outside before sending snow pants. Thanks for all your help!**

Severe weather

Please remember during the winter that you need to be mindful of severe weather reports and listen to the TV stations in case of school closing. If the Shakopee schools are closed due to weather conditions—so are we. If they start late- we are closed.
