Re: Ft. Yuma HCC  
Commercial Glazier Qualifications

Albert,

Please see below our qualifications required for hiring of commercial glaziers:

**EXPERIENCE:** Must possess at least 3 years of experience in commercial applications including aluminum framing, curtainwall and glass installation, caulking, etc.

**LICENSES/EDUCATION:** High School diploma or equivalent required.

Must possess a valid/current driver's license and clean DMV record.

Must have completed lift equipment/fall protection safety training with proof of certification.

**TOOLS:** Glazier must possess their own tools – including but not limited to:

- 18 V Battery Drill Motor/Screw Gun
- Glass Suction Cups
- Tape Measure
- OSHA approve foot wear

Please let me know if you need any more information.

Thank you,

*Cherish Potter*
