## Local Village Shows

As we mentioned in edition 12 of the newsletter we now have an exhibition stand and the plan is to attend as many local village shows, coffee mornings etc.... in order to promote the activities of Act Two theatre company. The reasons for this are numerous but include:

- Recruitment of new talent – both acting and backstage/technical
- Promote our commitment and benefit to the local community
- Advertise our shows

We had a stand at the Bassingham show which was highly successful and we recruited a number of new people, young and old, who wanted to audition for shows or join junior drama, made an impact on our existing 'fanbase' (With many positive comments about how great our shows are), and more people within the area now know that we exist.

*Please let us know about any of these shows that we could attend, and even better, please volunteer to man the stand if possible. Costumes are available and the stand can be picked up from my house with albums full of photographs, new and old.*

## Act Two Junior Drama

**It is very important that our junior drama group experience as many different elements of theatre as possible. Huge thanks to Sharon Laughton for arranging trips to two local productions for our junior drama group: 'The Wizard of Oz' at the Terry O'Toole Theatre on Friday 12<sup>th</sup> December and 'Alice in Winter Wonderland' at LPAC on Sunday 14<sup>th</sup> December.**

**I know that everyone who went along to these productions had a fabulous time & look forward to more similar trips in the future!**

We hope you have all enjoyed the latest edition of the Act Two newsletter – don't forget to send in your news, views and info, any ideas for trips or social events – this newsletter is only as what goes into it, so get busy and send it to us and if you think anyone else would be interested then please, pass it on and let's get a few more new members involved! **See you in 2015**
