## SWIMMING

November 11th

Dear Hanover High Swim Team,

Roster cuts have been made. **EVERYONE** who tried out for the team, is on the team!

5 of 6

Yes, we will have 53 swimmers on the team to start the season. Yes, this is 3 more than I planned on keeping. A number of factors went into this decision including the average number of swimmers attending the first three practices, the dogged determination of the swimmers trying out for the team, and their ability, and willingness, to face adversity (the possibility of not making the team). We started at 58 9-12 graders, and for various reasons 5 decided not to try out. I believe what these three additional swimmers bring to the team in terms of their 'can-do' spirit and dogged determination will more than compensate for any potential difficulties that may arise from more crowded swim lanes during practice.

So, welcome to the team. Time to follow the team motto for this season – **W.I.N.** This stands for **“What’s Important Now”**. And What’s Important Now for the swim team is the following:
