

HANOVER VS PATRICK HENRY

December 1, 2016

Attached are the meet results and meet scores. These scores are a little different from the ones I sent you last night. There was a minor scoring error that is now corrected. As noted in my email last night, in the boy's 100 back, 100 breast and 400 freestyle relay, all of our entries were exhibition only so as not to run up the score.

An outstanding first meet! We achieved 53.5 percent best times and had only one disqualification. Coaches were exceptionally pleased with turns and final 25's of races as time and again swimmers pulled away from their competition to win close races.

Relays did a fantastic job. 5 of the 6 relays made the Regional qualifying standard, and in all three of the boy's relays, we had both the A and the B relays make the Regional standard. Too bad we are limited to just one relay. Most of the A and B relays were formed to be equal strength. We do this on occasion at meets when the competition allows us to do so. The most important meets we will stack the A relays.

The BOYS VS GIRLS TIME DROP COMPETITION.

The boys ran away with the competition dropping a total 2 minutes and 20 secs to the girls one minute and three seconds. The scores were based on the top 20 improvement for each side, although I did not could Aiden Loftus' 500 free time drop of 32 seconds on the boy's side since there was no female swimmer counterpart.

New Time Standards Achieved.

If you make a State, Regional, Kecoughtan or Hawk Invitational qualifying standards, this means you have qualified for that meet and are eligible to participate. This is not a guarantee as we have multiple swimmers that qualify for these meets and we are limited in how many swimmers can compete in each event.

If you have a State cut, you also have everything other cut below. If you have a Regional cut, you also have everything else below. Etc, etc.

States

Patrick Townsend, 500 free and 200 IM

Regionals

Luke Daley, 200 free and 100 back

Jack Hufner, 200 free

Mattie Grant, 200 IM
