

HANOVER VS LEE-DAVIS December 14, 2016

Attached are the meet results, meets scores, and top times. Each swimmer is listed on their own individual page so you can print out your own top times list. Also attached is the updated Kecoughtan and Hawk Invitational meets.

Lots of enthusiasm this week. Great team spirit. Great swimming in the water. Check out these highlights:

3 events where the team went 1-2

Boys 200 Medley relays

Girls 200 IM – Caroline Blaser, Jordan Fox

Boys 100 breast – Patrick Townsend, Jack Hufner

New team record in the Boys 200 freestyle – Patrick Townsend, 1:47.28.

We had FOUR NEW Hawk Invitational cuts in the 200 IM alone – Caroline Blaser, Jordan Fox, Brooke Foster and Josh Chadwick.

Girl's 200 free relay qualified for Regionals. Now all 6 relays are qualified.

Boys 400 free relay qualified for States. Their time of 3:24.33 is over a second faster than this time last year.

Girls 200 free B and C relays achieved their fastest times ever. Our team speed is getting faster

Delaney Kassab broke 1 minute in the 100 freestyle for the first time ever!

Four more swimmers swam the 500 freestyle for the first time – Briana Clavell, Courtney Carroll, Kalilah Kroll, Sophie Burk

Cole Newton was a late substitution to the Boys 400 free relay. His best time in the 100 free is a 1:16. Cole went a 1:11!

The team achieved 48% best times.

Now it is time to get excited about the Hawk Invitational!

New Time Standards Achieved.

If you make a State, Regional, Kecoughtan or Hawk Invitational qualifying standards, this means you have qualified for that meet and are eligible to participate. This is not a guarantee as we have multiple swimmers

that qualify for these meets and we are limited in how many swimmers can compete in each event.

If you have a State cut, you also have everything other cut below. If you have a Regional cut, you also have everything else below. Etc, etc.
