

HANOVER VS MAGGIE WALKER

January 12, 2017

Another outstanding meet! Nice improvement in the score from the previous season. Boys beat Maggie Walker for the first time and the girls kept it within 20 points this year with numerous close races that could have made it even closer. Final scores:

Girls Hanover 75 King George 94
Boys Hanover 105 King George 61

As a team we improved on 37% of our individual swims. While this is the lowest improvement rate on the season some of that can be contributed to year round swimmers participating in their primary events – difficult to get a best time when you are training hard and not rested, and some might have been adversely affected by a week without practices.

The evening was highlighted by a few swims.

1. Mattie Grant – the single, solitary, only swimmer on the team to win both of her individual events (200 free, 100 fly). She added another win in the 200 freestyle relay.

2. SOPHOMORE SUPERSTARS Last week it was the underclassmen, led by the freshmen who dominated. This week the underclassmen once again highlighted the top times drop list. Once again the senior class posted the largest time drop of the week with Jack Iglehart's 35 second drop in the 500 free. However, this week the sophomore class flexed its muscles. Harrison Wilson dropped 15 seconds in the 500 free to go under 6:00 for the first time. Jordan Fox dropped 19 secs in the 500 free and went under 7:00 for the first time. George Temple sliced off 7 seconds in the 100 free. Michael Neller crushed his 100 fly time by nearly 15 seconds and secured his first Kecoughtan Invite cut in the 100 breast.

3. Kellie Brown and the 50 free and 100 fly. Kellie has had a long road back from an injury and just swam her first dual meet last week. This week she continued her progress by swimming the 100 fly for the first time and diving from the blocks. Due to her hard work, Kellie is ahead in her recovery schedule. Stay vigilant! You are AWESOME!

With Claire Grant and Kellie Brown now back training strong, the girls team is starting to hit its stride – just in time for Conferences.

4. First time 500 freestyle swimmer: Savvy Holzshu

New Time Standards Achieved.

If you make a State, Regional, Kecoughtan or Hawk Invitational qualifying standards, this means you have qualified for that meet and are eligible to participate. This is not a guarantee as we have multiple swimmers that qualify for these meets and we are limited in how many swimmers can compete in each event.

If you have a State cut, you also have everything other cut below. If you have a Regional cut, you also have everything else below. Etc, etc.
