## SWIMMING

November 10th

Dear Hanover High Swim Team,

**EVERYONE** who tried out for the team, is on the team!

Yes, we will have more swimmers on the team to start the season than I planned on keeping. However we had a few potential swimmers decided not to come out for the team. Also, we have ten year round swimmers that will only be a one practice a week thus making practices more manageable.

With that out of the way, these are the priorities:

**1) Have you registered your child through the Hanover High Athletic website?** If not, do so TODAY!

<http://hanoverhawks.org/> Go to registration on the right side of the page.

**2) A CALL FOR OFFICIALS!** We need stroke and turn judges for the upcoming season. The training is quick and Hanover will pay for your \$30.00 VHSL registration. Help out your swimmer and become an official. Reply back to this email or contact our Official's Chair, Keith Carroll, at
