

Order Form—HoverCam Marketing Materials

To help you promote the HoverCam range as successfully as possible, we're able to provide for you a number of marketing materials to give out at trade shows, school visits etc. Please fax, post or email back your requirements to us, and we'll get literature posted out to you. Please allow 10-14 days for delivery - so don't leave it till the last minute to ask!

We can also adapt electronic copies of these flyers for you with your contact details - either as low res. PDFs for web sites, or Hi-Res PDFs that you can then get printed, if you plan to mailshot a larger volume of schools.
