

Buon appetito!

Melisi is an independent Neapolitan pizzeria and restaurant located in Ruislip and in Northwood in North West London. We are a small team dedicated to bringing authentic Italian food and serving true Neapolitan pizza to our local residents.

Our aim is to use high quality fresh ingredients sourced from Italy, and cook them in an open and transparent manner maintaining the highest standards of quality and consistency, which we have set for ourselves.

The menu at Melisi is focused on quality rather than quantity. We are very passionate about our food, where the ingredients are sourced, our preparation and cooking methods and importantly our presentation and service to our customers.

Our menu has been designed to offer you a real serving of Italian food, made how our Italian mothers made it for us when we were small bambini. We strive to ensure that all of our customers leave full and with smiles on their faces :)

We like to keep things fresh at Melisi and so we tend to change our menu with the seasons to ensure our customers have enough of a variety and that our selection is in keeping with the climate and ingredients which are in season.
