

Spring Challenge

April 3rd – May 2nd

Here's how it works:

1. Write your name on the sign up card with your challenge goal by March 29th & drop it in the box (see note at bottom of this page)

If you have a current package, your package will be put on "pause" for this 30 day period (you will not get charged for 2 packages)

2. Your name will appear on a board in the studio to track progress

3. Be prepared to have fun, starting April 3rd at 11pm

4. Celebrate your challenge with us

Pay for the "spring challenge" package in the studio, on the app, or venmo. \$100 includes access to bonus/special classes, shirt, party, getting strong together & having lots of fun! \$140 includes access to the 4 workshops, highly recommended at a price you will never see again!

Bonus classes will be added during the month. Please see our reasons to do the Spring Challenge with Sandpoint Hot Yoga.

venmo

Please note we are not promoting quantity of classes but quality & diversity! Please be considerate when signing up for double classes for those trying to get into a class. This year we have an **extra "bingo" card challenge** to promote diversity of classes/offerings. See how many squares you can fill for a true personal challenge!
