Local youth programs from Whitney Point, ME, JC, Vestal, Binghamton, CV, etc. all participate in the BCYLL and games will be held at those program's fields. Games begin in early May.

Who can I contact with questions? You can always send general questions to contact@windsorysr.org at any time on any topic related to the WYSR. For lacrosse league specific questions, please contact Jennifer Smith at 607-760-2117.

What equipment will my player(s) need?

- Parents are asked to provide sticks for their players.
- Girls 3-6 are only required to protective eye goggles and to note, their sticks have a shallower basket than boys' sticks; there is a difference. Parents are asked to provide the eye goggles for their girls grades 3-6th.
- Coed K-2, Boys 3/4 and Boys 5/6 levels all are required to wear helmets, gloves, arm pads and chest protectors.

WYSR is offering 2 options to our parents whose players are in a level that requires pads & helmets, we are working with a rep from a local vendor called Maverick, who has secured the equipment set that you see below for a great price of \$150/\$175 incl a stick.

Parents can opt to purchase this equipment for the player(s) at that same price, or rent the equipment (per a signed agreement assuring its safe return to the league coordinator at the end of the season) for a \$35 per season fee. Please complete the equipment form below – this should be returned with your registration information. You can send one payment including registration fee & purchase or rental costs payable WYSR, or select equipment options during registration and pay online via PayPal at www.windsorysr.org/register.
