Question & Answer:

If I register and pay online, do I also need to send in a paper form? No, you can register your player(s) and pay their registration fees via PayPal on our new website: www.windsorvyr.org. Select the 'Register' tab. Your online registrations and payment are immediately received and your player(s) are considered registered for the league. Paper registrations are also still accepted by mailing this completed form and registration fee payable to WYSR at the following address: PO Box 412 Windsor, NY 13865. **NOTE: All players within the appropriate age ranges are eligible to play, regardless of their school district. Registration fees do not change based on whether or not you live in the Town of Windsor.**

Are refunds available? Refunds can be issued *pre-season only* and if within 60 days of registration date. Refunds will be either refunded to your card if registration was paid via PayPal, or by check if registration was paid originally with check, cash or money order.

What is Draft Day? You may often hear people refer to this day as baseball or softball "try-outs"... the WYSR considers this Draft Day because ALL players will make a team regardless of skill level. In an effort to distribute players evenly amongst the teams, all Senior Softball (and Junior level if the player is interested in trying to play up at the Senior level), and Junior and Senior Baseball players (and Coach Pitch if the player is interested in trying to play up) will attend the Draft Day on March 18th. The League Coordinator and coaches will run drills, work with and engage the players. It's basically considered a large group practice. Immediately following the session, the coaches work together to form team rosters. ***This should be a fun, no pressure activity for the kids!*** **Draft Day will be Saturday, March 18th at the Palmer Middle School gym. Baseball session will be 11-1pm, and Softball session from 1-3pm.** Hope to see you there!

What if I register after Draft Day? We strongly encourage you to register as far in advance of Draft Day as possible. If you register after that date, your player will be rostered with the next available team. Deadline date for registration is March 18th, late registrations will be accepted up until April 5th, but subject to a \$25 late fee. The only exception will be recent moves of new players into the community.

When do practices begin? Practices will begin as soon as we can get on the fields in April (sooner if possible). Your coach will contact you to let you know when practices will begin and what your schedule will be. Games begin after opening day in May. We will also be holding a Clean Up Day at Klumpp Park sometime during the month of April, we encourage all families to come out and help keep the ball park beautiful!

Where did T-Ball go? We have made the decision to do away with t-ball. We will instead have a wiffle ball level. At those young ages, baseball/softball gloves fall off their little hands, they're intimidated by the hard ball being thrown at them, and they generally have rather short attention spans.. all of which can be discouraging to our little players. Wiffle ball has all of the same concepts as t-ball, but without the pesky glove, hard ball & little bat! We believe that the kids will have MUCH more FUN while still learning the game... which is what we're all about!

When is Opening Day? This year, Opening Day will be held on **Saturday, May 6th**. As always we will begin our day with a parade from the bus garage to Klumpp Park. There will be food, festivities and of course plenty of ball games! Looking forward to seeing the community come out & enjoy the day!

Who can I contact with questions? You can always send general questions to contact@windsorvyr.org at any time on any topic related to the WYSR. For softball specific questions, please contact the 2017 League Coordinator; Lynn Smith at 222-9589, for baseball David Bidwell at 206-9222 or wiffle ball Melissa DePersis at 760-3619.
