Judge Steven V. Manley, is Oppressive, Revengeful, & presents a clear showing of prejudice against females, and those that come before his court as alleged "Pro se Litigants". He exhibits the inability/disability to discharge the duties of his office to impartially & unbiased; to separate the drug defendants from defendant No. 1 from defendant No 293. When litigants chose to be "Pro Se" due to the failure of their attorney to bring their skills to their defense. Said Manley and the Public Defender at the time of the case enact a sinister plot of entrapment to Misuse & Abuse the Incompetent to Stand Trial procedures for the improper purpose of retaliating against those litigants for rejecting that office. Judge Stephen handles alleged "Pro Se(s)" in a very prejudicial & discriminatory manner within his courtroom. Judge Manley deceptively tells "Pro se(s)" that they can not discharge their Public Defenders because they have been deemed incompetent, and they have to keep them, then the Public Defender Attorney ABANDONS the client, and Judge Manley,, then condemns the Defendant to state custody/imprisonment without the benefits & Choice of Counsel in violation of the Sixth Amendment right to Counsel; which is a Criminal Official Act & Misconduct within itself. See Additional Statement Attached hereto.
