

BGV REUNION AND GET-TOGETHER AT BRAE LODGE, BEACHAMPTON,  
MILTON KEYNES, 18 SEPTEMBER 2010

September's fun and reunion get-together at Brae Lodge was a great success with perfect weather. In the region of 45 adults and 10 children turned up to enjoy the day, which was blessed with good weather.

This informal event had been planned mainly with GBGVs in mind, to give those who had become the proud owners of pups the opportunity to get together. And so it was, that mostly Grands turned up, with just a couple of Petits joining in, plus a few other miscellaneous breeds.

The day started with a walk, then after lunch the fun classes took place with "Best in Show" going to Zeta, a pup from the most recent Wilmit GBGV litter.

Competitions followed, including hunt the sausage and musical mats. These, plus a raffle and some guessing games, followed by afternoon refreshments - and everyone departed having enjoyed the company of like-minded people who were given the opportunity to swap stories and experiences with other owners.
