## **DEFINITIONS OF CLASSES**

In the following definitions a Challenge Certificate includes any show award that counts towards the title of Champion under the rules of any governing body recognised by the KC. Wins at Championship Shows in Breed Classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' Classes or competing for Members' Specials each partner must, at the time of entry, be a Member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class, ie **Saturday 10 March 2018**. Wins in Variety Classes do not count for entry in Breed Classes but when entering in Variety classes, wins in both Breed and Variety Classes must subsequently be counted. A First Prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

(1) Withdrawal The dog may be withdrawn from competition subject to the conditions of Regulations F(1)20.

(2) Transfer

(a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent classes for the correct breed, colour, sex, weight or height or, in the event of there being no equivalent class, Minor Puppy and Puppy excepted to the Open Class for the correct breed, colour, sex, weight or height.

(b) If an exhibit is entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class, which is over age but under 12 calendar months of age, 18 calendar months of age or 24 calendar months of age respectively the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct breed, colour, sex, weight or height.

(c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct breed, colour, sex, weight or height.

(d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

17. **DOGS IN VEHICLES ON HOT DAYS** Your dog is vulnerable and at risk during hot weather and the KC offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade, for example a large umbrella, and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications may be made to this Schedule except by permission of the Board of the Kennel Club and which will be followed by advertisement in the Canine Press if possible.
20. The Show Committee will not be responsible for the entire or partial loss or injury to any dog, or any property whatsoever, whether arising from accident, or any other cause, or from any act or omission of themselves, their officers, agents or others. Entries are accepted on this understanding only.
21. Exhibitors/spectators will be held responsible for any damage to property or equipment within the environs of the show venue caused by their children or children in their care. It is on this understanding that entries are accepted.
22. Any owner, exhibitor, handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
23. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
24. Should any Judge named in the Schedule be unable to fulfil the specified engagement, the Show Committee should take action subject to the conditions of KC Show Regulations F24(h).
25. Subject to the conditions of KC Show Regulations F(30) a dog may be disqualified by the Board from any award, whether an objection has been lodged or not.
26. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

### WELFARE OF DOGS

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dogs are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.
