

Guide to being a Dog Show Judge - Levels 1-2

Please Note: Once a judge has **JCF Level 1 Judge** status, which is a one-time achieved achievement, JCF Levels 2 – 4 are to be achieved on a specific breed-by-breed basis.

It is, therefore, feasible for a judge to be at different levels in different breeds at the same time.

The Kennel Club will announce when judges can upload their evidence to their JCF account.
