

Basset Griffon Vendéen (Grand)

21 / 6 / 2019

AS MOST WILL HAVE SEEN Claire Cooper has been a little busy since returning from India. Many congratulations to her for piloting the Griffon Fauve Hibeck Dino to a history-making BIS at Blackpool championship show, the first such award for an Import Register breed.

To catch up on GBGV news, with no CCs on offer, at Border Union under breed specialist Jolanda Huisman from the Netherlands BD went to Fiona Buchanan & Mike MacLaren's Macaroni v Tum-Tum's Vriendjes with RBD to Colin & Ann Makey's Ch/Bel Ch Gairside Good Lord JW ShCM. With RBB going to his litter sister their Ch/Bel Ch Gairside Good Gracious, BB and BOB went to Fiona Buchanan & Mike MacLaren's Ch Tarmachan Ice Diamond. And, born on 15 June last year so just squeezing in as a puppy, BP went to Cooper and O'Brien's Jayanel A New Chapter.

Hopefully you will have by now received the Summer edition of the club newsletter Voice.
