## Casserole Dish / Guvech

This is a beautiful oven to table casserole dish available in 1 litre, 3 litre and 5 litre sizes. It comes in blue, yellow, green or white.

Just remember when cooking with clay products bring them to temperature slowly – always put in a cold oven – not preheated (set the temperature as you put the dish in the oven) and never put in cold water when they are hot.

These ceramics are not recommended for use in the microwave or dishwasher
