- **Invite someone to come to our next Chamber Meeting, July 6th!**

We have made an exciting change! Meetings will be held at the Alumni Building until further notice. The location is 205 S. Hickory next to Mallory Elementary School. We hope this will be a better environment for listening to our speakers and networking. Also, we will be having the meetings catered so that the food will be ready and we can eat in a more timely, organized manner. As always, you are more than welcome to attend without eating. The cost of the meal and drinks is \$10 per person and this will be payable to the Chamber.

We will be getting caterers lined up in advance, and we are welcome to suggestions!

## Membership Drive

May was our first month of the new year for the Chamber. This means invoices have been emailed and paper copies will follow soon.

During our officers meetings each month we will be discussing how to build our membership. The Welcome Committee is also being revitalized to encourage new businesses in our community. These are great steps, but I would like to see our current members become involved in this membership drive as well.

**So here is your personal challenge: when you visit a business this month, ask if they are a Chamber member. If they say no, invite them to join us!**

Also, I am looking for a few who would be willing to have a quote from them on our website. I want some testimonials so that anyone wavering on whether or not to join can see how the Chamber benefits businesses and the community! Look for changes on our website, as well! It is updated almost daily!
