## Reminders:

- Invite someone to come to our next Chamber Meeting, November 2nd!

The Christmas Parade and Downtown Lighting will be December 10th. The theme is "Cowboy Christmas!" Candy donations would be appreciated! Bring it to the monthly meeting or drop off at the Chamber Office.

National 4-H Week is October 2-8, 2016 and this year's theme is "#4Hgrown." National 4-H Week is a rallying point and opportunity to build on the national marketing campaign, promote the 4-H brand, recruit youth and volunteers, and engage with alumni.

4-H has opened the door for young people to learn leadership skills and revolutionized how youth connected to practical, hands-on learning experiences outside the classroom. 4-H serves youth in rural, urban, and suburban communities in every state across the nation.

4-H'ers are tackling the nation's top issues, from global food security, climate change and sustainable energy to childhood obesity and food safety. 4-H out-of-school programming, in-school enrichment programs, clubs and camps also offer a

wide variety of STEM opportunities – from agricultural and animal sciences to rocketry, robotics, environmental protection and computer science – to improve the nation's ability to compete in key scientific fields and take on the leading challenges of the 21st century.

The Buffalo Area Chamber of Commerce is proud to recognize 4 Super 4-H'ers at the October meeting. Congratulations Nellie Ritzheimer, Tilly Ritzheimer, Kearya Kelso, and Teri Anglen.
