Do you know everything the Chamber is doing for you and the community? Since we are celebrating the Chamber at the November meeting, let's review some of the Chamber's functions.

The Chamber promotes businesses by providing grand openings, ribbon cuttings, member appreciation, event sponsorship and more. We often receive inquiries about businesses, by phone, email, facebook or walk-ins. Businesses who are chamber members are referred first and new residents are provided a welcome bag with gifts and information from Chamber Members.

The Chamber provides a great way to network with other businesses. When one of our businesses needs a service, they often turn to another member. Our functions and events are an awesome opportunity to meet other businesspeople.

Chamber members are provided with a variety of advertising opportunities, some exclusively. These include event sponsorship and special member promotions.

The Chamber's website includes a list of members and a link to those with websites. We also have a very active Facebook page and, if you do as well, we'd love to give you a "like!"

The Chamber provides a calendar of events for Dallas County. Those interested in the area may receive a copy of this at this office. It is also posted on our website.

The Chamber hosts area events including the Dallas County Business Expo, the annual Chamber Banquet, the Student Leadership Luncheon & Senior Scholarship, the Southwest Missouri Celtic Festival & Highland Games, and the Christmas Parade.
