## WELCOME

Dear Members:

As we begin our 2018 Season, we want to share some of our accomplishments over the past two years. As many of you know, that is when the existing board took over.

- Our membership numbers keep increasing.
- Over \$150,000 paid out in prize money in 30 events.
- Participation in the 30 events was over 2400 players.
- Added several new courses as well as enhanced some of our existing courses.
- Established written policies for all members to see.
- Improved communications with members via an Email list of over 600 players and added a presence to social media.
- Reestablished our Winter Get Away.
- Ensured compliance to our non-profit status and maintained financial stability.

In 2018, we have added 3 new courses to our rotation and selected Clear Lake Country Club for our State Championship. We are still working on getting more women to participate in our events and need your help in doing so. We have also added an exciting new program to reward those players who truly enjoy golf. Our Most Avid Golfer Club will be giving away 10, \$100 gift cards at the end of the year. Members will be given points for participation, out of district participation and tournament results.

We also welcome feedback to improve our organization.

We look forward to seeing you on the courses in 2018.

Dave Opdyke
