SOUTH WEST DISTRICT SOJOURNER

UMW Publication Florida Conference

May Greetings South West District!

The month of May is upon us and I can hardly believe we are already five months in to this year! Upon thinking of an article for this month's newsletter, the notion of "who are we as United Methodist Women?" occurred to me. When I first became your District President, I, along with the other incoming District Presidents were given a gift by Deaconess Mary Melvin. It was a book – that she had written- and in this book were all types of ideas and themes. If you wanted it, it was there! It had bible verses, quotes and prayers, games, pledge service ideas and well, just about everything we would need as a "newbie". Needless to say, I have treasured that book, as well as used its many pages of topics.

In the coming months, your District Committee on Nominations will be scouting for new District officers AND coordinators. As I thought about the Committee and their tasks that lie ahead, I remembered a page from Mary's book entitled, "Who Are We?" I'd like to share an excerpt of the article.

Who Are We?

A United Methodist Women is a person whose feet are firmly rooted in the local unit of her church with her wings spread out in the global arena.

She is a witness to the story of stories, that the church has its origin in God's mission in Christ.

It is an awe-inspiring story – a story of commitment and conviction.

It is also a story of love and involvement – a story of sacrifice and death.

It is the story which our foremothers lived out in their homes, implanted in our land, and carried across the seas and continents.

Organizationally, the United Methodist Women live out this grand story of love and salvation by empowering women, youth and children.

The ministry is one of mission, education and advocacy and action!

It interprets the mission of the church and helps women be involved in that mission, both physically and financially.

(continued on next page)

United Methodist Women's PURPOSE

The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship and to expand concepts of mission through participation in the global ministries of the church.

The organization of United Methodist Women provides a support system for its members as they challenge racism, sexism and other forms of discrimination.

Our organization is committed to programs that enable full participation of women in the church and society and to programs that advocate for the needs of children and youth.

The leadership of United Methodist Women must be able to further its Purpose and the concerns already listed.

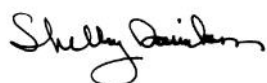

The recruitment and selection for nomination of this leadership is the task of the Committee on Nominations.

We are United Methodist Women and we are proud to represent such an awesome organization that has been in existence for almost 150 years!

So when you are contacted by a committee member, take a few minutes from your day and let them share with you a little bit more about our organization, our Team and how you can be a part of it!

Looking to see each of you on the 21st in Venice!

Love & Blessings,

Shelley Davidson
District President

A Note From Your Vice President...

Greetings Women of South West District!

As we adjust to the Spring weather here in Southwest Florida, and say good by to our lovely “snowbirds” as they head north for the summer, we on the District Team still have a lot of work before us. After our event on the 21st, we will meet to discuss our next year’s events and budget. I am asking for prayers in advance to help us to be guided by God as we do this important 2017 planning. Our events bind us together and help us grow spiritually while providing us with the tools we need to help others as Shelley so nicely shared with us in her greeting. We ask that you be open to hosting an event next year and invite others to come and be a part of our work together. If your Unit feels the call to host an event (either District or Mission Team Meeting) please email or call me or one of the District Team members and let us know. Since we cover such a large geographic area, we want to give everyone a chance to have an event near where they live and can only do that if your church is willing to host us!

If your church or Unit is small, hosting a MTM would be wonderful as we can bring our own lunch and drinks. Having a place to meet is a great way for us to get to know and visit the smaller churches in our District as well.

Blessings,

Mary Van Tol

Bonita Springs UMW "Fills the Van" Again

Nearly 750 pounds of personal hygiene items, cleaning/laundry supplies, and paper goods were donated to Bonita Assistance to help needy families as a result of the second annual "Fill the Van" drive conducted by the United Methodist Women of First UMC in Bonita Springs.

Thanks to the generous support of the congregation, UMW was able to successfully recreate an outreach project that was initiated last year. Non-perishable food donations to Bonita Assistance are an ongoing project for the Bonita Springs church. Starting in late March, UMW asked our generous congregation for donations of items not eligible for purchase with the EBT card under the SNAP (food stamp) program. The request specified personal hygiene, cleaning, and paper products. These items are in short supply at the assistance office's food pantry. For example, UMW members who volunteer at the food pantry mentioned that sometimes a family would be given only a single roll of toilet paper. This shortage of supplies is especially true during summer months when donations to the program are down.

The 2016 "Fill the Van" project did indeed fill a full size van with a variety of these items, and 748.9 pounds of items were delivered to the Bonita Assistance Office on April 11. They will be made available to clients of the agency via the Food Pantry. The agency was amazed by the donation; however, UMW members who participated added, "What a blessing to be part of this mission."

April declared "Month of Outrage" in national Wendy's Boycott

Methodist Women in Venice traveled to Sarasota to join other marchers from around the state of Florida to demonstrate in front of Wendy's on route 41. The Coalition of Immokalee Workers are asking for a boycott of Wendy's. The United Methodist Women's Organization has been very supportive of CIW for the past five years. We now, as an organization, need to continue our support of CIW by boycotting Wendy's and asking friends to join us.

The reason for the boycott is that Wendy's has refused to come to the table to discuss "The Fair Food Agreement." AND they are now buying tomatoes from Mexico's worse human rights violator of farm workers.

FAITH • HOPE • LOVE IN ACTION

Sarasota Crossroads held a Unit Meeting on April 19th on the topic of "Human Trafficking" put on by Bonnie Pentecost with a flare for drama (she dressed as and pretended to be a victim). The wonderful decorations included one large and individual small white umbrellas, and placemats with startling trafficking statistics. Sandy Segur, our Loving Link, was our guest that day. Bonnie repeated her program on Thursday night, April 28th, at a meeting in our church library for a potential start-up night time circle for our Unit with 9 in attendance, including officers.
