## **UMW Publication Florida Conference**

Good Morning South West District Sisters!

Greetings All! I can hardly believe it is already the month of June! Where has the last five months gone? With the month of June that means several things. For my two oldest grandsons, it means school is out!! They will be in the 1<sup>st</sup> and 2<sup>nd</sup> grades and are just getting a “good” start, but they LOVE it....let’s hope it continues!!

June also means that summer has “officially” begun, although it has felt lately like we went straight from winter to summer overnight! Father’s Day occurs in June – a time for us to “spoil” our fathers and honor them for all the hard work they do for our families. For those whose fathers have passed on, a time to remember and reflect.

June is also a month in which we should be thinking (and hopefully you’ve already done this) and that is to submit your registrations for Mission u in July! **July 13-16 will be the Florida Conference’s Mission u. The theme for this year’s Mission u will be “Learning Together for Transformation...” and will be held in Daytona Beach at Bethune-Cookman University.** Studies will be offered for children, youth and adults. Adult studies will be offered in English, Haitian Creole, Spanish and Korean. T-Shirts available for \$10 each. Please continue to check your email address for additional information as well as well as our District’s website for updates.

And last but certainly not least on **May 18-20, 2018 will be ASSEMBLY!** We will be traveling to **Columbus, Ohio** which marks both the official celebration of the organization’s 150<sup>th</sup> anniversary and the location of the first Assembly in 1942! This event is sure to offer an incredible personal faith journey through community building, training for action and visioning a movement for the future! Please click on the following link to find out more: <https://umwassembly.org/>

I wish you a wonderful summer, and I look forward to seeing you at Mission u in July.

Blessings,

Shelley Davidson, President, South West District

### The PURPOSE of United Methodist Women

United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global

# Thank You!

## A NOTE FROM your Vice President...

It has been only a few weeks since our meeting in Spring Lake and I just wanted to say thank you to all who attended! Although I know many have already gone north for the summer we had 47 women attending our half day event focusing on Communications & Membership Nurture and Outreach. As your Communication Coordinator I was able to highlight three areas that are vital to communicating with our members: Fake news-how we can tell if something is true, understanding how different generations communicate and United Methodist Women publication guidelines which are essential in helping our membership grow.

Thanks go out to Sharon Wilson who not only spoke about what it means to be a part of United Methodist Women, but also how to connect with each other and the importance of nurturing those members we have to help them be the best they can be while supporting our Purpose and Mission. A most enjoyable "Jeopardy" game helped us to remember fun facts with the Communication and MN&O topics.

Finally, a special thank you goes out to Jewell Weaver and her Unit for hosting us and providing wonderful morning snacks (mmm...sticky buns) and a delicious lunch for our District Team. Our planning and budget meeting for 2018 was very productive in the afternoon as we were able to accomplish all of our goals.

Blessings,

Mary Van Tol, Vice President, South West District

## UPDATE \*\*\*UPDATE\*\*\*UPDATE

Pam Heady, President of Englewood United Methodist Women, recently suggested that Units in our District should post when they are having a Mission Study on our website, Facebook, and in the Sojourner. This would enable other nearby Units to join in the study together. What a Great Idea!!! Starting in July there will be a tab on the front page of our website listing all available studies and their location. Pooling our resources is a great way for all of us to learn about missions and serve others. Click on the **EVENT** tab to see all the studies available or to add your event!

## Wings of Shelter Confronts Modern Day Slavery

Modern day slavery – in the form of human trafficking – affects 27 million people around the world. That slavery can take the form of forced labor or commercial sex. And the state of Florida ranks third, after only California and Texas, in the number of reported cases of human trafficking based on calls to the National Human Trafficking Resource Center Hotline. These were only a few of the many facts shared by Hillary LeMaster, executive Director of Development for Wings of Shelter, during a presentation April 17, 2017, in the sanctuary of First UMC of Bonita Springs, which was sponsored by the United Methodist Women.

Following the presentation, the Bonita Springs UMW unit presented a \$200 check to Wings of Shelter to support the important work the organization is doing. Wings of Shelter is a non-profit organization which has a local presence in Lee County. The local group was organized in 2008 and is based in Estero. It is the “first long-term residential service for trafficking victims” in the state, according to Ms. Le Master. There are now several other facilities in Florida which are licensed by the Florida Department of Children and Families. The local group is licensed as a “long-term group home” where minor victims can remain up till 18 years of age. Wings of Shelter maintains two “safe houses” in the county to serve minor female victims.

Human trafficking is “here in our backyard”, according to Ms. Le Master. The speaker pointed out that this is “domestic” human trafficking. Her organization is not dealing with foreign adults brought into the country to be exploited either by forced labor or commercial sex. Estimates show 100,000 American kids are victimized through prostitution, pornography, or stripping. The Human Trafficking Resource Center at Florida Gulf Coast Center serves a seven-county area. It reported 14 cases in 2013; the reported number grew to 38 cases in 2015.

The speaker shared that there is no single profile for victims – not by race, ethnicity, physical description or size. She said that traffickers “can create a vulnerability for victims” through their recruitment tactics. A common misconception is that victims are physically restrained. More often, emotional or psychological abuse is used to control the victims. Since minors under 18 years of age cannot legally consent to sex, the fact that some “may seem willing” is not relevant. Many of the victims do not self-identify or ask for help because they incorrectly believe the “trafficker” is caring for, providing for, and loving them. Many come to Wings of Shelter because they have been involved with law enforcement, been removed from abusive home lives, or been placed with child welfare agencies.

The goal of Wings of Shelter is to rescue victims and “begin the restoration process through a victim’s centered, non-punitive approach in our Safe Houses.” While girls are in the program, the organization works “to empower and encourage our girls academically, emotionally, spiritually and socially to help them heal from the complex trauma they have endured and move toward independence.”
