## From the President

Janet Ferreira

Spring is in the air and a brand new season is nearly upon us so dust off your dunlops and come on down! I am not sure about the rest of you but the thought of having virgin grass under foot sends quivers of excitement down my spine.

I would like to take this opportunity to introduce myself as your new president. Having witnessed the amazing contributions of many before me I am under no illusions of grandeur and realise that this role isn't one of delegation but rather dedication.

I am thrilled to announce that our 2 new lit hard courts 17 & 18 are now officially open and courts 4, 5 and 9 are fully lit with LED lighting. This brings to an end this phase of our Court Redevelopment Project which has been in the pipeline for the past 3 years. These enhancements to our facilities open up a myriad of opportunities for us as a club in particular, encouraging more casual/non-member players to use our courts thereby increasing revenue from court hire. Tennis Australia is strongly urging clubs to provide tennis opportunities for 'pay as you play' players in order to appeal to a broader demographic. Furthermore over the next couple of months we will be installing the Tennis Australia 'Book a Court' online court booking and payment platform. Greater access to courts with lights will enable us to significantly enhance the balance between league opportunities, coaching programs and casual court usage at peak times.

Sometimes we need to be reminded why we keep playing this game. Aside from it being social, affordable and good for the body and mind is the crucial fact that it is better than an Anger Management course. What better way to relieve stress than by hitting a ball as hard as you can, it feels great and when it goes in it feels even better!

On a more serious note I think that we are all very fortunate to be a part of the NTC family and the amazing comradery that goes with it. To quote the lyrics of the theme song from the old sitcom 'Cheers',

*'Sometimes you want to go  
Where everybody knows your name  
And they always glad you came ....  
You want to be where everybody knows your name'*

## FROM THE PRESIDENT Cont....

On Saturday the 5<sup>th</sup> October it is our annual Busy Bee and I encourage you all to give up some of your time to help spruce up the clubhouse and grounds prior to the opening of our new season, remembering that many hands make light work! This will be followed by our highly anticipated Opening Day which will take place on the 12<sup>th</sup> October and I look forward to seeing as many of you there as possible. Please come bring along a friend, neighbour or family member as this a wonderful opportunity to showcase our beautiful club. We hope it will be a day filled with fun and festivity with a delicious afternoon tea and nibbles to follow with drinks, curtesy of all members. Those of you who were in a winning pennant team don't miss this opportunity to be awarded your coveted 'Blue Towel'!

Our Junior Club Opening Day will be held on the 18 October from 4.30pm and we welcome all our junior members to come down with your friends to enjoy an afternoon of fun and games followed by a free sausage sizzle. Parents the bar will be open so come along for a drink and catch up with friends.

Finally I would like to wish you all a great 2019/20 season whether you are a social or a league player, may you enjoy it and have some measure of success!

### Women in Tennis Fashion Parade

The WIT Fashion Parade which was held on the 28 July at Cottesloe Tennis Club was well supported by the NTC ladies. Not only did we have 2 of our gorgeous ladies modelling at the event but a dozen of us went along to enjoy the fashion and food. Sara Tan and Carolyn Choong did us proud on the runway in tennis gear, leisure wear and some exquisite designer items.

Women in Tennis is a unique group of ladies who coordinate fundraising events to assist Tennis West, who conduct a number of programs specific to females, in providing women in Western Australia with the best opportunities. As a club we have always supported this group and will continue to do so. Look out for their next event, Gala Day which is held in October the Wednesday before summer league begins.

## Captains' Report

Changes are afoot on Saturday afternoons

With Mel English and John Detwiler retiring at the AGM in August after 2 years of superbly holding down the Club Captains role on Saturday afternoons, we were suddenly left with no one willing to take it on. Gordon Davies boldly volunteered to find a solution and has found 9 willing (coerced?! ) volunteers to share the duties. These volunteers are:

John Detwiler	Peter French
Rob Storer	Gordon Royle
Penny Oldfield	Julie Lilburne
Noel Lacey	Peter Schmitt
Alan Boynton	

Carolyn Choong  
Captains  
Representative

As none of the above are on the current committee, Carolyn Choong has agreed to be their representative. Please support Carolyn and all our Club Captains and feel free to approach them with any issues which may arise on Saturday afternoons.

Our Saturday Set Coordinators do a fantastic job, sometimes under a fair amount of pressure. The sets are determined by the computer software, not the person inputting the data. So if your sets have not been as perfect as you may like, please do not approach our young set co-ordinators, who are all fairly new to the position. We have to work with the system we have but if there are any major issues please direct comments to the Club Captain on duty.

One issue that does arise on Saturdays, is the same people being rostered off week after week due to uneven number of players. After Opening Day, we will be trying out a new system where the set coordinators keep a list of those rostered off each week, with the idea of not having the same person rostered off too often. This means if you are registered to play more than 3 sets in an afternoon you may be rostered off but rest assured that for the following 3 weeks you will be able to play all your sets. By increasing the number of players who are available to be rostered off, should mean everyone gets more court time.

NTC relies very heavily on all members to volunteer their time and there is a need to try and spread the load. With this in mind the Committee have decided to change afternoon tea duty to 1 person only but only once a year and the Club Captains and our RSA's, who tend the bar, will be exempt from this. The new roster is in this issue of the Network. If members would like to team up then they are most welcome to arrange this between themselves.

Happy Hitting  
From the Club Captains

*Runners Up  
Winter Div 3 Team.*

Congratulations to Carolyn Choong who received the Most Valuable Player (MVP) award for the Summer Saturday Open Women's Div 5 competition.

The MVP award will be presented to Carolyn on Opening Day along with the shields and the much sought after NTC "blue towel" which will be presented to members of the winning teams.

The very popular and highly competitive men's winter intraclub competition (even whilst overseas I could not escape updates from Michael Nowak regarding the latest results, team selections, and dramas surrounding NTC intra club as if it were the premier Australian sporting competition) resulted in victory for team Richos made up of Jack Richardson, Suresh Sakar, Tim Gattorna, Mark Lawrence, Janes Nicholson, Alan Boynton and Ian Love.

*Unwinding  
After Losing  
Grand Final*

The following 16 NTC teams have already been entered in the coming Tennis West Summer League competition:

- 2 Monday night Men's Singles/Doubles fast 4
- 5 Wednesday night Men's Open Doubles
- 2 Wednesday Women's Open Doubles
- 1 Wednesday Women's Over 45 Grass Court Doubles
- 3 Thursday night Open Women's Doubles
- 3 Saturday Open Women's

Team grading will be announced shortly with fixtures to be available prior to the commencement of the season on Saturday 19<sup>th</sup> October.

Now that we have more courts available in the evenings the majority of men prefer to play on Monday nights rather than on Saturday afternoons. I would like to think it is to enable them to devote Saturday afternoons to home chores and gardening but suspect it is to free up day light hours so they can spend more time on the golf course!

Thanks to the other League Committee members (Carolyn Choong, Mel English, Neil Croker, Suresh Sakar, Dave Mofflin, Janet Ferreira and Warren Vickers) who once again put in considerable time and effort in selecting teams that would provide the best outcome for the most players.

## Coaches Corner

### SCHOOL HOLIDAY CLINICS

We will be hosting our school holiday clinics for both weeks of the holidays for all kids wanting to have a bit of fun and exercise in the mornings 9am til noon. Healthy morning tea is provided as well as plenty of fun and prizes! Enrol for a day or a week at a time. Enrolment is available online on our website and we encourage early enrolment to guarantee your child's place as we can get busy in the warmer months

### TERM 4 HOTSHOTS & SQUADS

We are always aiming to provide the highest quality coaching to our clients, as part of our desire to always be growing and developing we are adding new programs to cater for all levels of players. We have a targeted player pathway to make it more clear where your child is at in their development and how they can get where they hope to get to. Be on the look out for some further information via email and on some information flyers around the club.

### TEAM TENNIS

We have had great success with our inhouse, modified competition format called Team Tennis. Running after fun club on Fridays players have had the chance to play lots of mini matches to put their skills to the test in a fun format. This is a great entry level competition for players who can serve, rally and score. We have two levels, orange ball for players 8 to 10 and green ball for players aged 9 to 12. The next season will start in Term 4 so get signed up soon!

### FRIDAY FUN CLUB

We wrap up Friday fun club this week and we look forward to giving out prizes to our ladder leaders. Congratulations on all players who attended over the two terms, we hope you had a ball and are ready to kick on in summer! Last week we had fish & chips as dinner after tennis and the grassed area provided the perfect picnic spot in what was a beautiful night.

Junior club kicks back into gear in summer and we will as usual have tennis and food for the kids! It's a great way to finish the week, the bar will be open for parents to enjoy a wind down and everyone is welcome both members and non-members.

### NEW LIGHTS = MORE COACHING OPTIONS AT NIGHT

Our new hard courts were opened this week as well as the new lights on courts 4 and 5. This will allow us to expand our coaching programs on offer for adults in particular. If there is something you are looking for let us know, if you have a group of friends wanting a shared lesson or cardio session we can accommodate.

## Coaching Tip of the Month : Purposeful practice

**Practice is the answer to so many of our problems! Or is it?**

What if you aren't actually practicing the thing that would make the biggest difference in your game. When you are having a hit do you have a plan in mind? A particular stroke or strategy you believe can make an improvement to your match performances. Hitting more balls without a real purpose to what you are trying to do with them is not anywhere near the value of targeted practice.

Coming to social tennis? Why not choose to return serve on the other side than you normally do. Maybe try standing closer on returns of serves, or farther back? What can you learn from these alterations? Do you return down the line often enough? Maybe you need to put that shot into practice when you are playing socially before you consider trying it in a match.

Lastly, why not write it down, what you want and how you are going to make it happen. Having a written reminder in your tennis bag can be a great reinforcement tool

HAPPY HITTING – WARREN
