

The Network

From the President

Peter French

This edition of network heralds a new summer which I am sure we are all looking forward to. Firstly though, it behoves us to honour the past. I thank Nigel Shaw who, as President, with great commitment and tireless effort, juggling his business, his role as Nedlands councillor and family, led the club for the past two years. Shane, 30 years our groundsman, a friend and life member has moved on to a different turf. You can read more on his recollections in this edition and we continue to celebrate Shane's contribution.

Sadly, we miss John, also a life member, and Muffie Rogers who passed away together recently. Fondly remembered in many ways for their decades of membership and contribution we will honour them on Opening day.

Nedlands is a club that has a strong history of camaraderie of members intent on enjoying tennis, providing an atmosphere that encourages our children to play in competitive, respectful and friendly way. Your committee is made up of fellow members committed to continue past success and build the club retaining its excellent culture.

The activities of the committee are many and varied but all focussed on providing members with excellent courts, high availability year round, opportunities for competitive play and social play across all ages. In addition, we plan our regular social events.

This winter we have kept four grass courts open to add to the seven hard courts. This has proven very popular and provided opportunities for more coaching on Saturday as well as plenty of courts for social. Only on one beautiful Saturday afternoon have we run out of courts this winter with over 50 players at social. The grass courts have been well utilised during the week as well.

Our new groundsman, Rob Firms, has also embarked on rejuvenating our older courts. First established in the 1930's, courts, 1-3 and 6-8 have been heavily scarified and will be ready again in November. Rob will also renovate courts 17, 18, 22 & 23 during the Christmas pennant break to be ready for the second half of the season and club championships.

Our court development project has moved ahead with the council funding approved and progressing to the next stage of representation to the Dept. of Sport and Recreation.

Junior club is soon to resume on Friday afternoons. We are looking for a volunteer or two to help run this very popular social evening. With up to 100 juniors attending we call upon some Mum's and Dad's to help keep this session running. It's wonderful to see families enjoying the atmosphere with bar open and Barbecue going.

Opening day is upon us on October 14. We look forward to seeing you all there and please bring along a friend or two. It is a wonderful time to introduce others to the club and expand our membership with those whose company we enjoy.

The fun actually begins the week before with our busy bee where we combine doing those springtime jobs with social activity.

See you there.

Captains' Report

Mel English and John Detwiler

This will be the first time in a while that the Club Captain's role has been shared. The 'Co-Captaincy' will hopefully both split the load and allow continuity as John and I will oversee Saturday afternoon social tennis proceedings. We will endeavor to be as passionate and committed as Mehmet who will be a hard act to follow.

The 2017/18 calendar has been published incorporating both tennis and social events and of course the Afternoon Tea and Bar Duty roster. Thanks to all for your continued support of our club and the yummy offerings supplied for afternoon tea. If your rostered day doesn't suit please try to arrange a swap with another member and let us know.

We miss Shane and his team and appreciate the many years of loyal grounds keeping (and house and anything else 'keeping') that contributed to the heart and soul of the club.

Moving forward we are enjoying the bonus of having 4 grass courts for use during the winter down-time. It is fantastic to see regular winter turnouts of 40 plus members and minimal numbers having to sit off due to lack of courts. These 'bonus' courts are also being well used at other times and are available to members from Monday afternoon weather permitting. The calls of 'chalk' are now a thing of the past as we move to painted lines – those times when an 'out' call is closely followed by 'chalk' call – better surely than a linesman/Hawkeye combined. Remember if you are not sure – it is in!

Social sets will return to the regular time of 2pm in October (with the exception of Open Day – 1.30pm).

We are delighted to have the on-going services of Ben Lilburne and Jack Blatchford on the computer to organize social sets on Saturday – thanks for the great work boys! We also have our lovely babysitter Paige Herkes who is doing a fantastic job supervising our younger visitors on Saturday afternoons – Thanks Paige!

We have a new, larger and vibrant committee, under the leadership of Peter, with lots of new ideas – please help by supporting initiatives. Please come to the Busy Bee where more numbers make for lighter work. Also consider inviting a friend or two to Open Day. This is your club!

League News

Helen Morgan

NTC has entered 14 senior league teams in the Tennis West Summer League competition which runs from October through to late March.

Women's league teams will play in the Wednesday, Thursday night and Saturday afternoon competitions and men's teams play in the Wednesday night and Saturday afternoon competitions.

Our club is once again a host venue for the Women In Tennis Gala Day to be held on Wednesday 11th October. This event offers a great practice opportunity for women league players whilst at the same time raising funds which are used to assist young, promising female tennis players.

Thank you to fellow league committee members Warren Vickers, Neil Croker, Dave Mofflin, Janet Ferreira, Mel English and President Peter French for their efforts in selecting teams – never an easy task.

The importance of our court redevelopment program, including providing a greater number of courts with lights, is highlighted by the fact that 30 men registered to play league on a Wednesday night. Currently we can only field a maximum of 4 teams on any evening. However the interest shown indicates that we could easily field 6 teams on a Wednesday night. With more courts under lights we would also be able to offer club members the opportunity to compete in Tennis West leagues conducted on Monday and Tuesday evenings.

SCHOOL HOLIDAY CLINICS

We will be hosting our school holiday clinics for both weeks of the holidays for all kids wanting to have a bit of fun and exercise in the mornings 9am til noon. Healthy morning tea is provided as well as plenty of fun and prizes! Enrol for a day or a week at a time. Enrolment is available online on our website and we encourage early enrolment to guarantee your child's place as we can get busy in the warmer months

TERM 4 HOTSHOTS & SQUADS

We are always aiming to provide the highest quality coaching to our clients, as part of our desire to always be growing and developing we are re-structuring our programs from next term. We hope to streamline our player pathways to make it more clear where your child is at in their development and how they can get where they hope to get to. Be on the look out for some further information via email and on some information flyers around the club.

JUNIOR LEAGUE PENNANTS

Over the winter season we had seven teams playing which goes above and beyond the usual six teams we can normally accommodate on our seven all weather courts. Whilst it isn't ideal to play on grass in winter, the opportunity for the extra team of kids to play was a great result. The season ran well with most fixtures running barring just a couple of wash outs. Three teams made the grand finals, with our girls 14s team going undefeated for the whole season and taking out the league!

Congratulations go to

GIRLS 14s WINNERS : Charlie Gattorna, Evi Bell, Gemma Rippey, Chloe Hammond, Lily Cooke & Anna Pedersen

Well done to our two boys 12s teams who lost in the finals, great effort all round. League provides the opportunity for kids to play a more competitive tennis option. Not only does it provide graded competition for all levels of player, it is plenty of fun and a great social opportunity to play an individual sport but as part of a team.

FRIDAY FUN CLUB

We wrap up Friday Fun club this week and we look forward to giving out prizes to our ladder leaders. Congratulations on all players who attended over the two terms, we hope you had a ball and are ready to kick on in summer! Last week we had fish & chips as dinner after tennis and the grassed area provided the perfect picnic spot in what was a beautiful night.

Junior Club kicks back into gear in summer and we will as usual have tennis, sausage sizzle and a drink and icy-pole for the kids! It's a great way to finish the week, the bar will be open for parents to enjoy a wind down and everyone is welcome both members and non-members.

COACHING TIP OF THE MONTH : *Get your priorities right!*

Cheers—Shane Watson

The year was 1987.....

I had no grey hair, 26 years old living in Circe Circle driving a fully restored 1960 FB Holden, listening to Bruce Springsteen. I was interviewed by an interesting chap wearing braces who had a local real estate agency - Gordon Davies Real Estate along with his engineering mate Richard Wright. I thought during the interview I may as well mention that my Grandmother was a good friend of the long time Mayor of Nedlands Charlie Smith, who had many years before helped get the Club up and running. I got the job!

Grrrrh – should have asked for more money!

Monday and Tuesday went by and on the Wednesday a lady marched towards me and my first offsider Nathan, who was the son of family members Jack and Nancy Harrison.

“Where’s the milk and biscuits?” she shouted. Nathan replied, “Listen Muffie – it wasn’t us!” **Grrrr**DEFINITELY should have asked for more money!

30 years later – just two weeks before she passed away, I walked Muffie arm in arm from the Club House to her car for the last time. Her husband John Rogers was a true sportsman and an absolute gentleman. He always asked about the Club and he cared a lot about the Club and all the people in and around it.

With Gordon’s and Richard’s leadership we were able to establish new grass courts (19-26). A few years later we were the first and only club to lay synthetic turf on a loam base (10-11) saving the Club a significant amount of money at the time. It’s 2017 now and those courts are still on the same loam base. All this would not have been possible without the support of family members such as the Barbletts’, Langes’, Farrises’, Nixons’, Albrechts’, O’Connors’ and of course my old mate Johnny Rogers to mention just a few.

Richard Wright moved back to Melbourne. Many years later a golfer on a business trip approached me. “Is that you Shane? Oh my God you’re still here!” **Grrrr** ...I should have asked for more money!

A number of years on and a few more grey hairs another generation of family members: Morgans’ + Morgans’, Holliers’, Kozaks,’ Micalizzis’, Taylors’, McCallums’, Lilburnes’, Nowaks’, Jones’, Darmagos’ and Englishs’ to mention just a few. A new car park is born and courts (4-5/9) are redeveloped. All which wouldn’t be possible without THEIR good leadership.

In my early years meeting Margaret Court and letting indigenous kids hit up on the grass courts was special. The Club coach at the time was Phil Holten. Phil was always happy and friendly and a damn good tennis player (just ask him and he has always got a good story or two). Phil and Judy Kozak were always loyal to the Club and are truly Club Legends. King of the Kids coach, Alan Lane was always smiling and full of energy. I will never forget when we got him to dress up as Iron Man on court for our young mate Oscar’s birthday. Actually he should have worn it when he coached Peggy!

I remember a young Jon Darmago helping me mark lines and always telling me he's going to buy a toyshop when he grows up. And sitting with a very upset Scott McCallum thinking his Mum Rosemary Watson McCallum had forgotten about him and wasn't picking him up...but she was just a little late.

Resident Gerry Dibbs whose dog Jason would always find me for his daily belly rub, would watch me play football, and Jason came onto the field for a belly rub one match. Game stopped until I could get Jason off the field and back to Gerry. Gerry contacted me the day Jason died.

Another offsider in my early years was Matthew Hicks. He is now a pilot and sometimes he parks his Porsche outside the shed and wanders down to see me and we chat about the old days.

Thank you to my Father – Johnny Watson.

In 2003 my Mum passed away .To keep Dad occupied and with the approval of President Jill Morgan, my Dad refurbished the Club House.

Yes, I have met some very special people through this Club.

A few years ago Pat Barblett was making another come back and came running up to give me a massive hug. It was just like getting a hug from my Mum.

Pip Micalizzi and I gained life membership at the same time. Pip has a heart of gold and is very special to me.

A big thank you as well to my good friend Charles Iddon who would always help me out and also the boys at the Brown's Garage for sponsoring the Club all these years. Congratulations to the new Club President Peter French. I wish him and the Club every success and as a Life Member I look forward to being able to assist in any way I can.

A very big cheers to all the boys who have helped over the years. Some went on to play league football or professional cricket but more importantly to me ALL of them have gone on to be good people. 30 years on I still have a friendship with Nathan Harrison and many of the others.

Thank you to both the Wednesday & Thursday Ladies for the morning tea. A special thank you to Joan Bussemaker & the forever young Joan Rogers for organising the occasion, very much appreciated. My tennis loving dog will also miss you all!

Mowing Courts 22-23 for the last time with just two runs to go my mower ceased. So I suppose it decided to bow out with me. Many friendships have been formed at the Nedlands Tennis Club.

The Nedlands way is like Sara Tan's Team

Happy when they arrive
Happy if they lose
And even happier after lunch.
There's a book in the making.

- Cooking and preparing the hot dogs for the kids to eat at 5.30pm.
- Serving icy-poles.
- Cleaning up afterwards.

We have a couple of teenagers who help each week, and who have been doing it for a few years now, so they know what to do!

Women in Tennis Fashion Parade.

Nedlands Tennis Club members Emma Hammond and Carolyn Choong were stars on the catwalk at the Women in Tennis Fashion Parade .

11 August 2017

Tennis icon Alicia Molik, centre, was joined by her daughter, Micca Sullivan, and tennis players Emma Hammond, left, and Carolyn Choong at a fundraising fashion parade in Cottesloe.

All the goss from Wimbledon

An interview with Alicia Molik, one of Australia's tennis elite, was a highlight for the crowd of 150 at a Women in Tennis fashion parade at Cottesloe Tennis Club.

Recently back from Wimbledon 2017, Alicia shared the latest gossip and intrigue from that hallowed ground, as well as her personal experience of playing there in former times. Previously ranked eighth in

world singles and sixth in the world doubles, Alicia's many achievements include winning bronze in the Athens Olympics, captaining Australia's Federation Cup team, winning world doubles events and reaching the finals at Wimbledon in the mixed doubles with Todd Woodbridge.

Meanwhile, her daughter, Micca, oblivious to Mum's fame and facts, pranced centre stage. Women in Tennis is a unique

group within Tennis West that organises fundraisers to support the talented young female tennis players of WA.

The cost of competing makes financial backing essential for the up-and-coming girls, who need help to enter tournaments, pay for national competition travel and various other essentials.

The fashions on show came from local retailers, Spectator and Tennis Only.

JOHN AND MUFFIE ROGERS

John and Muffie were stalwarts of the club over many years. Despite their playing days being over, they still supported the Club on Open Days and the odd afternoon tea on a Saturday. Muffie, in particular, will be missed by all who attended Wednesday morning socials and will be remembered as a keen supporter of all our NTC ladies league teams with encouragement from the sidelines. John and Muffie died peacefully in the presence of family in two different hospitals, 24 hours apart. They will be remembered for their love and enthusiasm for their family and friends, the clubs and communities they embraced and the values they espoused.

SPONSORSHIP FOR THE YEAR AHEAD

Another sponsorship year is coming to an end. We would like to thank all our existing sponsors for their support throughout the year.

We are excited about the new sponsorship year ahead. We have set ourselves the challenge of **expanding the number of sponsors** in order to generate not only income for the Club per se, but importantly, for the court redevelopment program that is being implemented. Our current sponsorship offerings have been remodelled and from that we have developed new, exciting sponsorship packages.

In addition, we are launching an **Advertisers Board** for the clubhouse. This will provide those organisations who have limited resources to advertise, for a relatively small fee, at the Club and have recognition in both the quarterly newsletters and on the website.

If you or anyone you know is interested in either considering sponsoring Nedlands Tennis Club or being an advertiser, please contact **Linda Blatchford** either via email lblatchford@inquire.com or by phone on 0450-114-112. Linda, along with **Mel English**, would be happy to chat through the various packages available to see what package would be the best fit for your organisation.
