I am aware that the Brittany may exhibit stress and unwanted behaviour if left alone for extended periods or if their exercise needs are not met. Brittanys and puppies in general do not adapt well to a kenneled existence. I promise to provide a loving, attentive home and commit to the necessary time and expense for bonding, care, training and exercise on a daily basis.

Deposit Form

Deposits will be accepted on a first-come, first-served basis subject to questionnaire review and conditions being accepted by the Buyer. The Seller will accept only a reasonable number of deposits.

In the event the December 2015 breeding is unsuccessful, all deposits received by Smith Valley Gun Dogs prior to artificial insemination and pregnancy confirmation will be fully refunded.

Once pregnancy has been confirmed, deposits will be held and applied against the full purchase price of \$1,500.00 (Canadian funds.) Although every effort will be made to satisfy the Buyer's preferred sex of puppy, deposits received before birth cannot guarantee the Buyer's preferred sex.

Once the puppies have been born and numbers/sexes confirmed, those deposits received prior to birth will be given priority picks in the order they were received. Deposits received after the puppies are born will be given the remaining picks in the order they were received.

The Buyer's deposit will reserve a puppy until the date of purchase and transfer of ownership at 8 weeks of age. This deposit signifies the intent of the Buyer to complete the purchase transaction. If the remaining balance of \$1,250.00 (Canadian funds) is not paid within ____ days from notification of the pup's availability, the Buyer's deposit is forfeit and the Seller is released to offer the puppy to another Buyer.
